PETITION FOR EXPUNGEMENT OF A KANSAS MUNICIPAL COURT CONVICTION OR
DIVERSION UNDER K.S.A. 12-4516

The petitioner, Maria-Alejandra O'Shaughnessy-Whitfield, applies to this court under
K.S.A. 12-4516(a); K.S.A. 12-4516(b); K.S.A. 12-4516(c); K.S.A. 12-4516(d); K.S.A.
12-4516(e); K.S.A. 12-4516(f); K.S.A. 12-4516(g); K.S.A. 12-4516(h); K.S.A.
12-4516(i); K.S.A. 12-16,134 and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

A person convicted of a violation of a city ordinance may petition the convicting
municipal court to expunge the conviction and related arrest records once three or
more years have elapsed since satisfying the sentence imposed or discharge from
probation, parole or a suspended sentence; a person who has fulfilled the terms of a
diversion agreement based on a city ordinance violation may petition once three or
more years have elapsed since those terms were fulfilled. Longer five-year and
ten-year periods apply to the offences listed in (d) and to DUI-equivalent ordinance
violations under (e), and a one-year period applies under (c) to a
prostitution-equivalent ordinance violation where the petitioner can prove coercion.
The court sets a hearing and causes notice to be given to the prosecuting attorney
and the arresting law enforcement agency, and shall order expungement on three
findings: no felony conviction in the past two years with no such proceeding pending
or being instituted, that the petitioner's circumstances and behaviour warrant
expungement, and that expungement is consistent with the public welfare. There is no
firearms finding, because a municipal ordinance conviction is not a felony.

B. THE PETITIONER

Date of birth: 1968-12-31

C. THE FACTS OF THIS MATTER, WHICH THE PETITIONER SUPPLIES FROM THE RECORD

Each item below is printed in the words the committed record uses for it. Fill each
one from the record itself.

FILING INSTRUCTIONS - EXPUNGING A CITY ORDINANCE CONVICTION OR DIVERSION

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition for Expungement of a Kansas Municipal Court Conviction or Diversion under K.S.A. 12-4516.

A person convicted of a violation of a city ordinance may petition the convicting municipal court to expunge the conviction and related arrest records once three or more years have elapsed since satisfying the sentence imposed or discharge from probation, parole or a suspended sentence; a person who has fulfilled the terms of a diversion agreement based on a city ordinance violation may petition once three or more years have elapsed since those terms were fulfilled. Longer five-year and ten-year periods apply to the offences listed in (d) and to DUI-equivalent ordinance violations under (e), and a one-year period applies under (c) to a prostitution-equivalent ordinance violation where the petitioner can prove coercion. The court sets a hearing and causes notice to be given to the prosecuting attorney and the arresting law enforcement agency, and shall order expungement on three findings: no felony conviction in the past two years with no such proceeding pending or being instituted, that the petitioner's circumstances and behaviour warrant expungement, and that expungement is consistent with the public welfare. There is no firearms finding, because a municipal ordinance conviction is not a felony.

WHERE IT GOES

The convicting Kansas municipal court

Filed with the municipal court clerk. Some cities, including Wichita, govern expungement by charter ordinance and publish their own instrument; where they do, that instrument and that court's process govern.

Venue: Statewide statute available in every Kansas municipal court, executed court by court. K.S.A. 12-4516(a)(1) directs a conviction petition to the convicting court, which is the municipal court of the city whose ordinance was violated, and (a)(2) directs a diversion petition to the court. Kansas has hundreds of municipal courts and no unified municipal forms regime, so the instrument is court-specific even though the mechanism is statewide.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: A municipal court may prescribe a fee to be charged as costs for a person petitioning for an order of expungement, K.S.A. 12-4516(g)(2). Amounts vary by court and there is no statewide figure. Fee waiver as recorded: None identified in K.S.A. 12-4516. Any relief is a matter of local municipal court practice.

WHO MUST BE SERVED

Service as recorded: The court causes notice to be given. The participant does not serve. Notice as recorded: The court sets a date for hearing and causes notice to be given to the prosecuting attorney and the arresting law enforcement agency, K.S.A. 12-4516(g)(1). Any person who may have relevant information may testify and the court may inquire into the petitioner's background.

WHAT THE RECORD SAYS YOU MUST KNOW

- The packet must tell the participant to confirm with the municipal court clerk, before filing, whether that court publishes its own form, what it charges as costs, and how many copies it wants.
- The municipal findings are three, not four. K.S.A. 12-4516(h) requires no felony conviction in the past two years with no such proceeding pending or being instituted, that the petitioner's circumstances and behaviour warrant expungement, and that expungement is consistent with the public welfare. There is no firearms-safety finding, because an ordinance conviction is not a felony conviction.
- The disclosure carve-outs apply here too. K.S.A. 12-4516(i) tracks the district court effect: the petitioner is treated as not having been arrested, convicted or diverted, subject to an enumerated list of contexts in which the arrest, conviction or diversion must still be disclosed.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- The city prosecutor opposes the petition.
- The municipal court sets a contested evidentiary hearing.
- The municipal court governs expungement by charter ordinance with terms that differ from K.S.A. 12-4516, as Wichita does.
- Whether the ordinance violation would also have constituted a listed state offence, which sets the waiting period, is disputed.
- The participant is currently required to register under the Kansas Offender Registration Act.
- Immigration consequences are in play.
- Generation is complete when the packet is produced. Self-help stops when the city prosecutor opposes, the municipal court sets a contested evidentiary hearing, or a factual ground is disputed.

PETITION FOR EXPUNGEMENT OF A CITY ORDINANCE ARREST RECORD UNDER K.S.A.
12-4516A

The petitioner, Maria-Alejandra O'Shaughnessy-Whitfield, applies to this court under K.S.A. 12-4516a(a); K.S.A. 12-4516a(b); K.S.A. 12-4516a(c); K.S.A. 12-4516a(d); K.S.A. 12-4516a(e); K.S.A. 12-4516a(f); K.S.A. 12-4516a(g); K.S.A. 12-4516a(h); K.S.A. 21-6107; K.S.A. 12-16,134 and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Any person who has been arrested on a violation of a city ordinance may petition the court to expunge the arrest record. When the petition is filed the court sets a hearing date and causes notice to be given to the prosecuting attorney and the arresting law enforcement agency, and the official court file is separated from other court records and disclosed only to a judge, designated court staff, the prosecuting attorney, the arresting agency or others by court order. A municipal court may prescribe a fee as costs, except that no fee may be charged to a person arrested as a result of being a victim of identity theft. At the hearing the court shall order the arrest record and subsequent court proceedings expunged on finding mistaken identity; that a court found no probable cause for the arrest; that the petitioner was found not guilty; that the arrest was for a violation of an ordinance prohibited by K.S.A. 12-16,134(a) or (b) adopted before July 1, 2014; or that expungement would be in the best interests of justice and charges have been dismissed or no charges have been or are likely to be filed.

FILING INSTRUCTIONS - EXPUNGING AN ARREST ON A CITY ORDINANCE CHARGE

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition for Expungement of a City Ordinance Arrest Record under K.S.A. 12-4516a.

Any person who has been arrested on a violation of a city ordinance may petition the court to expunge the arrest record. When the petition is filed the court sets a hearing date and causes notice to be given to the prosecuting attorney and the arresting law enforcement agency, and the official court file is separated from other court records and disclosed only to a judge, designated court staff, the prosecuting attorney, the arresting agency or others by court order. A municipal court may prescribe a fee as costs, except that no fee may be charged to a person arrested as a result of being a victim of identity theft. At the hearing the court shall order the arrest record and subsequent court proceedings expunged on finding mistaken identity; that a court found no probable cause for the arrest; that the petitioner was found not guilty; that the arrest was for a violation of an ordinance prohibited by K.S.A. 12-16,134(a) or (b) adopted before July 1, 2014; or that expungement would be in the best interests of justice and charges have been dismissed or no charges have been or are likely to be filed.

WHERE IT GOES

The Kansas municipal court where the ordinance charge was brought
Filed with the municipal court clerk. On filing, the official court file is separated from other court records and access is limited under K.S.A. 12-4516a(b).
Venue: Statewide statute available in every Kansas municipal court, executed court by court. K.S.A. 12-4516a(a) directs the petition to the court, meaning the municipal court of the city whose ordinance was charged. The mechanism is statewide; the instrument is court-specific.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: A municipal court may prescribe a fee to be charged as costs, K.S.A. 12-4516a(b), except that no fee may be charged to a person who was arrested as a result of being a victim of identity theft under K.S.A. 21-6107 or former K.S.A. 21-4018. Amounts vary by court and there is no statewide figure. Fee waiver as recorded: No discretionary waiver. The relief is the statutory identity-theft exemption, which applies by its own terms.

WHO MUST BE SERVED

Service as recorded: The court causes notice to be given. The participant does not

serve. Notice as recorded: The court sets a date for hearing and causes notice to be given to the prosecuting attorney and the arresting law enforcement agency, K.S.A. 12-4516a(b). Any person who may have relevant information may testify and the court may inquire into the petitioner's background.

WHAT THE RECORD SAYS YOU MUST KNOW

- The packet must state the identity-theft fee exemption: no fee may be charged to a person who was arrested as a result of being a victim of identity theft under K.S.A. 21-6107 or its predecessor, even though the municipal court may otherwise prescribe a fee as costs.
- The packet must say that on filing the petition the official court file is separated from other municipal court records and is disclosed only to a judge, designated court staff, the prosecuting attorney, the arresting agency or others by court order, and that after expungement the records may still be released to a criminal justice agency with a legitimate need.
- Where the best-interests-of-justice ground is used, K.S.A. 12-4516a(e) requires the court to determine whether the records should nonetheless remain available for eight enumerated purposes. The packet must say so.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- The city prosecutor opposes the petition.
- The municipal court sets a contested evidentiary hearing.
- The mistaken-identity or no-probable-cause ground is disputed on the facts.
- The participant was convicted or completed a diversion on the ordinance charge, which puts them on the municipal conviction route instead.
- The municipal court governs expungement by charter ordinance with terms that differ from K.S.A. 12-4516a.
- Immigration consequences are in play.
- Generation is complete when the packet is produced. Self-help stops when the city prosecutor opposes, the municipal court sets a contested evidentiary hearing, or a factual ground is disputed.
