Kentucky Filing Instructions

SYNTHETIC QA EXAMPLE - DO NOT FILE

Before filing

This packet is for case 19-M-000001 in Fayette County District Court. Use one petition per criminal case. Confirm the caption and every charge against the current court record and certification before signing.

The disposition record dated 06/15/2018 expressly states that this first controlled-substances conviction was voided under KRS 218A.275(8). The petition marks only that section-6 option.

Request the KRS 431.079 expungement eligibility certification from the Administrative Office of the Courts Records Unit using form AOC-RU-009 and the official Kentucky Court of Justice Expungement Certification Process:

<https://www.kycourts.gov/AOC/Information-and-Technology/Pages/Expungement.aspx>. Attach the certification and file within 30 days after receiving it; this packet does not generate a substitute certification.

To request permission to proceed in forma pauperis, ask the filing Circuit Court Clerk or legal aid for the current motion to proceed in forma pauperis and affidavit of indigency under KRS 453.190, complete and file both, and wait for the court to decide the request before relying on that exception. The held record does not resolve whether this process waives the non-refundable \$50 certification charge; confirm that point with the clerk or counsel.

Defendant's SSN is intentionally blank. Ask the Circuit Court Clerk how to provide this private identifier securely and whether a public filing copy should be redacted. Never use a made-up number.

AOC-496.2 lists only charges that actually resulted in conviction. Any attached Supplemental Schedule of Companion Charges is incorporated into the petition and preserves same-criminal-action misdemeanor, violation, or qualifying traffic charges that were dismissed or amended away. Never describe those companion charges as convictions. Check every offense, disposition, date, case number, name, and mailing address.

Sign, file, and serve

Sign and date AOC-496.2 only in the presence of a notary or the Circuit Court Clerk. The witness completes the jurat. The software has not signed, notarized, filed, served, or certified anything.

File with the Office of the Circuit Court Clerk in Fayette County, where the original charge was filed. 150 N. Limestone, First Floor, Lexington, KY 40507. Clerk telephone: 859-246-2228. Confirm copies, delivery method, and any local requirement directly with that clerk.

The controlling record states a \$100 filing fee per criminal case and says the first \$50 is non-refundable. The held AOC-496 proposed order separately says the clerk shall refund \$50 when a petition is denied. Those sources leave the actual unsuccessful-petition refund treatment unresolved. This packet makes no refund promise; confirm current handling with the clerk or counsel before relying on any refund.

The clerk serves the county attorney, each identified victim, and each person named as having relevant information. The participant does not serve them. The clerk sets any hearing no sooner than 30 days after filing. Leave every clerk service, hearing, and certification field blank.

AOC-496 is not included because no local proposed-order requirement was confirmed. Ask the Circuit Court Clerk whether the county expects that form before filing.

Stop conditions and follow-up

Stop automated self-help and seek individualized legal help if you are not a United States citizen, your citizenship is unknown, the offenses came from separate incidents, a same-case companion charge is a felony, the county attorney or a victim will object, enhancement status is uncertain, the certification lists a disputed conviction, the conviction itself is being challenged, or venue is unclear.

A filed petition or tendered proposed order does not mean the record is expunged. Attend the hearing if one is set. After a grant, the order directs named agencies to expunge and certify; keep the entered order and follow up with the clerk and agencies.

Authority: KRS 431.078, KRS 431.079, KRS 453.190; AOC-496.2 and AOC-496, Rev. 7-16. Filing this packet does not guarantee a result.
