PROCESS GUIDANCE, INCLUDING THE ROUTE THAT FILES NOTHING

Petitioner: Jordan Avery Reyes

Case No.: 123-4-21 Cncr

Route: Petition to Seal a Non-Conviction Record, 13 V.S.A. Sec. 7603

THREE ROUTES, AND THIS PACKET CARRIES ALL THREE

- an ordinary contested petition at any time (13 V.S.A. Sec. 7603(g)): Form 200-00130.
- a stipulated sealing at any time (13 V.S.A. Sec. 7603(a)(2)): Form 200-00132.
- no filing - process guidance: this page.

1. THE CONTESTED PETITION

File the petition (200-00130) with the Vermont Superior Court, Criminal Division, in the unit where your case was decided. The State's Attorney may oppose it and the court may set a hearing. This is the route that does not need anybody's agreement.

2. THE STIPULATED SEALING

If the prosecuting office will agree, sign the stipulation (200-00132) and take or send it to that office. The participant does not file the stipulation: the prosecutor signs and files it with the court. The court may then seal the record on that agreement.

If the State's Attorney will not sign, that is not the end of it. File the petition on its own and ask the court to set a hearing. The two routes use the same underlying facts and this packet prepares both.

3. THE ROUTE THAT FILES NOTHING

Some non-conviction records are cleared without a petition at all, and a packet that only ever told you to file would be telling you to do work you may not need to do. Before you file, ask the clerk of the unit above whether the record you are asking about has already been sealed, or is due to be, without a filing. If it has, nothing in this packet needs to be filed.

There is a timetable and there is a criterion, and both come from the statute rather than from these forms. Under 13 V.S.A. Sec. 7603(a)(1) the court shall issue the sealing order within 60 days after final disposition where the court made no probable cause determination at arraignment, the charge was dismissed before trial with or without prejudice, or you were acquitted -- unless a party objects in the interests of justice, in which case the court schedules a hearing under Sec. 7603(b) instead, with you and the prosecuting attorney as the only parties. To see where your own record stands, complete Form 200-00331, Request for Criminal Record Search, and submit it to the court in the county; the result of that search is how you see whether the automatic sealing has already happened. A separate request is needed for each county and there is a fee for it, so allow time for the answer before you decide whether to file. The clerk of the unit is who can tell you where your own record stands.

NO FILING FEE ON THIS TRACK

There is no filing fee on this non-conviction sealing track. Under 32 V.S.A. Sec. 1431(e), the \$90 fee applies only to sealing a conviction for a violation of 23 V.S.A. Sec. 1201(a). This track does not seal a conviction.

Form 600-00228, the Judiciary's statewide Application to Waive Filing Fees and Service Costs, is conditional: it is used only where a filing fee is actually charged and the applicant cannot pay it. No fee is charged on this track, so nothing on it needs to be completed or filed for this petition. It is in this packet BLANK on purpose -- the platform has written nothing on it, because page 2 of that form is a financial declaration made under oath and this packet asserts no financial fact on your behalf.

NO PARTICIPANT SERVICE OF PROCESS

You do not serve the prosecutor with process. If you file the petition, the court provides a copy to the prosecutor. If you use the stipulation, take or send it to the prosecuting office; the prosecutor signs and files it with the court.

WHAT THIS PACKET IS NOT

This is a prepared set of official Vermont forms and this guidance page. It is not legal advice, it is not filed for you, and it does not decide whether the court will seal the record.

INTERESTS-OF-JUSTICE PROMPTS -- THE STATEMENT ONLY YOU CAN WRITE

Petitioner: Jordan Avery Reyes

Case No.: 123-4-21 Cncr

Route: an ordinary contested petition at any time (13 V.S.A. Sec. 7603(g))

WHY THIS PAGE IS IN THE PACKET

On the ordinary petition route the court grants the petition if it finds that sealing serves the interests of justice. The burden is yours rather than the State's: this is the route where you have to satisfy the court, and not the one where the State has to show why not. Question 4 of the petition (200-00130) prints "I believe that sealing of my criminal history is in the interests of justice because:" and the words after that colon are yours.

THIS PAGE IS PROMPTS, NOT AN ANSWER, AND IT IS NOT FILED

The platform has written nothing in question 4 and it will not. It does not draft that statement for you, does not show you an example one, and does not suggest sentences for you to sign your name under. What follows is questions. Your answers to them, in your own words, are what goes on the petition. This page itself is not filed and is not part of what the court reads.

QUESTIONS TO ANSWER IN YOUR OWN WORDS

Answer the ones that are true of you and leave the rest alone. A short, plain, honest answer is a real answer: there is no required length and no required form of words.

- What happened in this case, and how did it end?
- What does having this record on your criminal history stop you from doing now?
- Has it come up in a job, a license application, housing, schooling, volunteering or anything else? What happened when it did?
- Who else is affected by it -- family, dependants, anyone who relies on you?
- How much time has passed since the case ended, and what have you been doing in that time?
- Is there anything about how the case ended -- no charge filed, no probable cause found, dismissed, or acquitted -- that you want the court to have in front of it?
- What would change for you if the court sealed this record?
- Is there anything you would want the court to know that nobody has asked you about yet?

WHERE YOUR ANSWER GOES

Write it in the space the petition prints after question 4. If what you have written does not fit that space, ask the clerk of the unit where you are filing how the court wants a longer statement submitted, rather than cutting it down before you have asked. Where self-help ends on this route is the instructions page, which lists the registry's stop conditions in its own words.
