1. This matter comes before the court on:

- ☒ Defendant's motion.
- ☐ State's motion.
- ☐ Motion of the Court, in the interest of justice.

2. Motion and Relief Requested:

The movant requests the court vacate unconstitutionally void *Blake* conviction/s and order a refund of legal financial obligations (LFOs) paid on the unconstitutional conviction/s, as well as waive any balance remaining on LFOs resulting from the unconstitutional conviction/s. The movant further requests the court revoke or remove any such LFO assigned to a private collection agency, and stop any collection action resulting solely from the void convictions. This motion is based on *State v. Blake*, 197 Wn.2d 170, 481 P.3d 521 (2021), *State v. A.L.R.H.*, 20 Wn. App. 2d 384, 500 P.3d 188 (2021), *Nelson v. Colorado*, 581 U.S. 128, 137 S. Ct. 1249 (2017), CrR 7.8 (b)(4), GR 15(b)(8) and the case record and files.

In addition to a vacate of conviction/s, waiver of LFOs, and refund of paid LFOs, the movant requests this Court further:

- a) Update or vacate defendant's criminal record;
- b) Dismiss the information with prejudice as to the refiling of any charges alleged in the original or amended information or indictment in this case if no counts remain; if counts remain, dismiss the charge/s in the information, as originally filed or amended, with prejudice as to the counts/crimes vacated under *State v. Blake*;
- c) Release the defendant from all penalties and disabilities resulting from any conviction under this case and those offense/s shall not be included in the defendant's criminal history for purposes of determining a sentence in any subsequent conviction;
- d) Determine any remaining term of community custody, if applicable;
- e) Quash outstanding arrest warrants in this matter if there are no other convictions on the judgment and sentence;
- f) Notify the Department of Licensing to reinstate the defendant's privilege to drive, if the defendant was under 21 years old at the time of conviction and this *Blake* conviction was the sole basis for suspending the defendant's privilege to drive pursuant to RCW 69.50.420(2).
- g) Transmit notice of the vacate order to Washington State Patrol and local law enforcement agency to update their records to reflect the vacate;
- h) Order the Washington State Patrol to transmit notice of the vacate order to the Federal Bureau of Investigation;
- i) Forward a copy of the vacate order to the Department of Corrections;

3. Basis

a) Conviction:

The defendant's underlying conviction for simple drug possession was based on one or more of the following:

- a) RCW 69.50.4013(1), for convictions on or after July 1, 2004;
- b) RCW 69.50.4014, for convictions on or after July 1, 2004;

- c) RCW 69.50.401(c), for convictions between 1971 and March 20, 1979;
- d) RCW 69.50.401(d), for convictions between 1971 and June 30, 2004;
- e) RCW 69.50.401(e), for convictions between March 21, 1979, and June 30, 2004;
- f) An inchoate offense for one of the above statutes;
- g) A municipal ordinance that relied on the above statutes.

Additional information:

See attached conviction and payment-history schedule.

b) LFO refund:

A refund may be due. The Court should determine whether LFOs were paid on the unconstitutional conviction/s and calculate an LFO refund amount.

Attached is a true and correct copy of a printout of the Case Financial History Screen (CFHS) obtained from the Court. (Optional)

4. Reservation of Rights

Defendant reserves the right to bring a motion to seek additional or different relief from that requested here, including but not limited to a motion for resentencing or a motion for a refund for third-party costs associated with the unconstitutional conviction.

3. Findings & Conclusions

In *State v. Blake*, 197 Wn.2d 170 (2021), the Supreme Court of Washington held that RCW 69.50.4013 is unconstitutionally void. *State v. A.L.R.H.*, 20 Wn. App. 2d 384 (2021), extended that holding to convictions based under RCW 69.50.4014. As a result, convictions based on RCW 69.50.4013 or RCW 69.50.4014 or their predecessor statutes, or convictions for inchoate offenses under RCW 69.50.4013 and RCW 69.50.4014 or their predecessor statutes, or similar applicable local ordinances, are unconstitutionally void and must be vacated. LFOs and accrued interest paid pursuant to such convictions must be refunded, including fees and interest that private collections agencies imposed. *Nelson v. Colorado*, 581 U.S. 128, 137 S. Ct. 1249, 197 L.Ed. 2d 611 (2017).

The defendant was convicted of completed or inchoate offense/s on this cause number under RCW 69.50.4013, RCW 69.50.4014, their predecessor statutes, and/or this jurisdiction's applicable ordinance: _____.

The court orders:

4. **COURT'S ACTION: Vacate and Update Criminal Record.** The motion to vacate is granted as to any and all convictions under this cause number. The Court shall update the charge result/charge disposition code to VU (Vacated Unconstitutional).
5. **Dismiss.** The complaint is dismissed with prejudice as to the refiling of any charges alleged in the original or amended complaint or indictment in this case.
6. **Release and Criminal History.** The defendant shall be released from all penalties and disabilities resulting from any conviction under this case and those offense/s shall not be included in the defendant's criminal history for purposes of determining a sentence in any subsequent conviction.
7. **COURT'S ACTION: Warrants Quashed.** Any outstanding warrant in this matter is quashed.

8. **COURT'S ACTION: Driving Privilege Reinstated.** If the defendant was under 21 years old at the time of conviction, the Court shall notify the Department of Licensing to reinstate the defendant's privilege to drive, if suspended due to this judgment. RCW 69.50.420(2).

Defendant ☐ was ☐ was not under 21 years of age at the time of the conviction.

9. **COURT'S ACTION: Forward to WSP.** The Court shall immediately transmit notice of this order to the Washington State Patrol and to (local law enforcement agency)

Seattle Police Department

which agencies shall immediately update their records to reflect the vacation of the record of the conviction/s.

10. **Disclosure.** The Washington State Patrol shall transmit notice of this order to the Federal Bureau of Investigation. The Washington State Patrol or local law enforcement agency may not disseminate or disclose a conviction that has been vacated to any person, except to other criminal justice agencies per RCW 9.96.060(9).

11. **Legal Financial Obligations.** All legal financial obligations, fees, fines, costs, charges, or assessments (LFOs), except any separate civil judgment/s not predicated on conviction, are waived. If the LFOs have been assigned to a private collection agency, that assignment is revoked, and the account is removed from that agency for collection. All associated collection costs are waived, including fees, interest or other monies related to collection. Any associated collection actions are stopped. All non-restitution interest is waived. If restitution and restitution interest were assessed, the balances shall be waived.

12. **COURT'S ACTION: Waive Balances, and Stop Collection and Collection Actions.** The Court shall delete, strike, cancel, or waive any unpaid balance on LFOs ordered under this cause, including any interest. The Court shall stop any associated collection actions. The Court shall waive all non-restitution interest. The Court shall waive any restitution and restitution interest assessed.

13. **COURT'S ACTION: Refund.** To the extent payment was received on these LFOs, the payment shall be refunded to the defendant, and no portion of the refund will be

reallocated to other cause numbers. This shall not apply to garnishment orders for child support. The Court shall calculate the refundable LFO amount. Refundable LFO amounts shall include any amounts listed in the judgment and sentence or subsequent restitution orders, and include but are not limited to: court costs, fees, fines, victim restitution, and interest, as well as additional fees, interest, or any other monies associated with this case number that the defendant paid to a private collection agency which were not remitted to the Court. Washington Blake filing guide

Your selected court and scope

File in the District Court that sentenced you in King. Cause SYNTH-19-1-001234-1. The packet requests full relief: all convictions under this cause number are identified as Blake-void. Verify the court record before selecting the motion and matching order. District and municipal courts use Blake-002 with Blake-005 (full) or Blake-006 (partial); superior court uses Blake-001 with Blake-007 (full) or Blake-008 (partial). Do not mix court levels.

This relief concerns an unconstitutional possession conviction under State v. Blake and State v. A.L.R.H.; no clean-record or waiting-period requirement is imported. Possession with intent or delivery is outside this route. A treatment-program route is a separate question; completing treatment is not a Blake prerequisite.

Records to obtain and compare before filing

Obtain your Washington State Patrol criminal-history record and the sentencing-court docket. Start with the WSP WATCH name/date-of-birth conviction check and consult the current WSP fee table before paying; a non-conviction record uses a separate fingerprint/inspection process. Ask the sentencing-court clerk for the docket, judgment and sentence, exact statutory subsection, count numbers, offense class, sentencing, release and supervision dates. Compare every supplied conviction and remaining count to those records. If court level, statutory coverage or full/partial scope is unclear, stop and obtain legal help.

Obtain the complete payment history from the clerk or the collection agency for this cause number. Use it to verify LFO payments and balances. The court or clerk determines refund eligibility and calculates the amount and interest; participant estimates in the attached schedule are not a court finding. Keep originals and permanent copies. Attach a true court payment-history printout if available; never invent an official accounting attachment.

Prepare and file

Review the motion and its attached conviction/payment schedule. Complete actual signature and execution steps personally where required; the pattern forms do not require notarization. Printed participant names and known mailing information are supplied. Leave judge/prosecutor signatures, court decisions, actual notice findings, refund amounts, remaining supervision orders and dates to their owners. Known count tables in the proposed partial order are proposed factual entries for court review.

Ask the sentencing-court clerk about local supplemental forms, filing method, required copies, service and whether a hearing is necessary. No fixed court filing fee is quoted here because local fees were not established; confirm any charge before filing. The requested waiver of outstanding LFOs is part of Blake relief, not a separate indigency form.

Hearing and service

No hearing notice is included because no hearing is requested or scheduled. Confirm local practice; if a hearing is later required, prepare the current Blake-003 with confirmed details before serving it.

Serve the prosecutor for the sentencing court and file truthful proof of service. Blake-004 is a blank certificate for the actual server: actual date, time, delivery method, delivery address, server identity and signature must reflect what occurred. Its issuer-printed document list mentions the motion and calendar note. If no notice was served, do not sign a certificate saying it was; ask the clerk for the accepted correction to that document list. No service is performed or certified by generation.

Refund and follow-through

The selected motion seeks vacation, refund of LFOs and accrued interest paid on unconstitutional convictions, waiver of remaining related LFO balances, and removal of related collection assignments. The court decides all amounts and eligibility. For a partial case, amounts and obligations attributable to remaining counts require court treatment; do not assume the whole case balance disappears.

After the signed vacation order and refund-eligibility determination, use the Washington Courts Blake Refund Bureau official online portal or its official mail process. Confirm the current instructions with the Bureau or clerk. Blake-002 is the CLJ motion, not a separate refund application. Retain the signed order, payment history and proof of any payment. Do not seek a duplicate refund; disputes about a prior refund or collection history need assistance. Confirm clerk transmission to WSP and relevant agencies, then compare updated records.

Limits and when to stop

Any pending charge in Washington, another state, federal court, or tribal court.

Any domestic violence element, charged or findable from the court file.

Any protection, no-contact, antiharassment or civil restraining order currently in effect, or violated in the last five years.

Any DUI, physical control, or alcohol or drug related driving offence, including a reduced charge.

Any firearm, deadly weapon or sexual motivation enhancement.

Any question about offence class or the exact RCW.

Immigration consequences.

Any participant whose real goal is firearm rights restoration, which is a separate proceeding under RCW 9.41.041.

The conviction may not be simple possession, since possession with intent and delivery are outside Blake.

The case included other charges and it is unclear whether a full or partial vacatur is right.

The participant is chasing a refund from a court that has already refunded it, or through a collections agency that disputes the payment history.

Vacation does not seal the court file or remove public indexes and does not restore firearm rights. The exact Blake pattern orders address the consequences of the unconstitutional convictions; do not apply ordinary-vacation recidivist language to override these orders. Obtain legal advice about other remaining convictions or later proceedings.

Synthetic review fixtures are not for filing.
