Delaware Family Court — Form 281 / Form 283 packet assembly sheet

Discretionary expungement of an adult record · 11 Del. C. § 4374(c)

What this sheet is

This is an assembly and completion sheet for the official Family Court Form 281 petition and required Form 283 proposed order. It is not a court form, a filing, legal advice, or an approval. Form 283 is copied from page 15 of the held Form 1021IP source. The official forms' county boxes, manifest-injustice assertion, Petition Number, decision, signature and jurat remain blank for the person or court who owns them.

Components and order

1. de_discretionary_family_court-primary-filing-1: Form 281, Petition for Expungement of Adult Record. 2. de_discretionary_family_court-continuation-2: Form 281E, conditional when charges exceed the petition table. 3. de_discretionary_family_court-proposed-order-4: Form 283, Order Granting Expungement of Adult Record, copied from held Form 1021IP page 15. 4. de_discretionary_family_court-cover-sheet-3: this required assembly sheet. The participant supplies the SBI cover letter and certified criminal history externally; they are assembled with the official forms in the filing order stated in the current instructions.

Before filing

Obtain the certified criminal history dated within 45 days through IdentoGo, service code 27S23V, at about \$72; the court shall summarily reject a petition without it. Do not assume the packet confirms eligibility. Complete and cross-check every charge from that history, confirm every charge and conviction sought was disposed of in Family Court, use the county of the most recent termination, complete the manifest-injustice explanation in your own words, and sign and swear the petition before a clerk of court or notary. Verify the proposed order's party and charge information against the final filing packet.

Fee, service and handoff

The Family Court Schedule of Assessed Costs effective July 20, 2026 lists Expungement of Criminal Adult or Juvenile Record at \$0.00, with no archive fee and no court security assessment. The specific page 2 expungement entry controls the generic page 3 security list, which still names Petition for Expungement of Adult Record. The separate certified-history acquisition cost is external and unresolved; it is not the Family Court filing fee. Under § 4372(l), outstanding conviction fines or fees unpaid for reasons other than wilful noncompliance may be waived or converted to a civil judgment when the person is otherwise eligible. This is separate from the \$0.00 filing charge and does not waive restitution. Under 85 Del. Laws c. 142, § 10, the § 4374(e) victim-contact reference is contact under § 9414(a) of Title 11; the § 9401 victim definition remains unchanged. The petitioner serves the Attorney General, who may object or answer within 120 days; if the Attorney General opposes, the petitioner has 30 days to respond. If the Attorney General objects, a victim opposes, the court sets a hearing, or a required fact is contested, stop self-help completion and obtain case-specific help.

Held facts

Fixture canonical carries the participant name, date of birth, street address, city/state/ZIP, telephone, criminal case number and supplied charges shown on the official forms. The source records and exact source bytes govern this packet; no court-assigned date, Petition Number, signature, judicial finding or approval is invented.
