☒ County Jackson County

☐ Municipal _____

☐ Other (include name and address of agency):

Pursuant to section 610.122, RSMo, I request that the court issue an order to expunge my record of arrest, for the following criminal case: _____

☒ I am filing this petition in the county where the arrest occurred and I did not receive a suspended imposition of sentence (SIS) for the offense for which the arrest was made or for any offense related to the arrest. I also state that the arrest was based on false information; there is no probable cause at the time of the action to expunge to believe that I committed the offense; no charges will be pursued as a result of the arrest; and no civil action is pending relating to the arrest or the records sought to be expunged. I am providing my fingerprints on a standard fingerprint card for verification of my identity.

☐ I am filing this petition in the county where the arrest occurred. I was arrested for, or was subsequently charged with, a misdemeanor offense of chapter 303 or a moving violation as the term "moving violation" is defined under section 302.010, RSMo, except for any intoxication-related traffic or boating offense as "intoxication-related traffic offense" and "intoxication-related boating offense" are defined under section 577.001, RSMo; and each offense or violation related to the arrest was subsequently nolle prossed or dismissed, or I was found not guilty of each offense or violation; I am not a commercial driver's license holder and was not operating a commercial motor vehicle at the time of the arrest; and no civil action is pending relating to the arrest or the records sought to be expunged. I am providing my fingerprints on a standard fingerprint card for verification of my identity.

I have reason to believe the agencies named above as defendants may possess records subject to expungement.

Judgment and Order of Expungement of Arrest Record

Pursuant to section 610.123.4, RSMo, the court finds the petitioner in the above titled cause is entitled to expungement of the arrest records specified in the petition bringing this action and recorded pursuant to section 43.503, RSMo.

The court orders each agency named as defendants in the attached petition to expunge the arrest records specified in the petition in the manner provided in section 610.124, RSMo.

The court finds:

- ☐ that the arrest of the petitioner in the case recorded pursuant to section 43.503, RSMo, identified above was based on false information; that there is no probable cause at the time of the action to expunge to believe that the individual committed the offense; that no charges will be pursued as a result of the arrest; that the petitioner/subject of the arrest has no prior or subsequent misdemeanor or felony convictions; that the petitioner/subject did not receive a suspended imposition of sentence (SIS) for which the arrest was made or for any offense related to the arrest; and that no civil action is pending relating to the arrest or the records sought to be expunged.
- ☐ that the petitioner was arrested for, or was subsequently charged with, a misdemeanor offense of chapter 303 or any moving violation as the term "moving violation" is defined under section 302.010, RSMo, except for any intoxication-related traffic or boating offense as "intoxication-related traffic offense" and "intoxication-related boating offense" are defined under section 577.001, RSMO; and each offense or violation related to the arrest was subsequently nolle prossed or dismissed, or the accused was found not guilty of each offense or violation; the petitioner is not a commercial driver's license holder and was not operating a commercial motor vehicle at the time of the arrest; that the petitioner/subject of the arrest has no prior or subsequent misdemeanor or felony convictions; and no civil action is pending relating to the arrest or the records sought to be expunged.

Therefore, pursuant to section 610.123.4, RSMo, the court orders each agency identified in the petition to expunge the arrest records of the petitioner specified above.

SO ORDERED,

Date

Judge

Directions to Clerk

Upon finding by the court that the petitioner is entitled to expungement of any record that is the subject of the petition, the clerk shall provide a copy of the order to each official, or agency or other entity identified in the petition.

Missouri arrest record expungement guide

Before you proceed

Stop: the false-information ground always requires legal assistance before proceeding. Take this prepared packet and your own account of what happened to a lawyer. LegalEase does not decide that the arrest was based on false information or that probable cause is absent; the court must make those findings.

Arrange the three standard fingerprint cards described below first; they are required before filing, even though this packet can be prepared now.

Your answers for personal and legal review

Your own account, reproduced for your lawyer and your review: The report said I took a parcel from 88 Example Lane. I told the officer I was at work at 900 Synthetic Office Road at that time. My time record and the coworker who was with me support my account. I believe the report identified the wrong person and that the officer relied on that identification when arresting me.

This is your account, not a finding that the information was false or that probable cause is absent. Do not treat this counsel handoff as an entered finding or signed testimony.

Suspended imposition of sentence for this arrest or a related offense: No. Charges expected to be pursued from this arrest: No. Intoxication-related offense: No. Civil action pending relating to this arrest: No.

Commercial driver license held at arrest: No. Operating a commercial motor vehicle at arrest: No. These are answers about the time of arrest, not current status.

Any misdemeanor or felony conviction before or after this arrest: No. This answer is supplied for court or counsel review; it does not import the older CR143 conviction language as an eligibility bar.

Three standard fingerprint cards arranged: Not yet; arrange and obtain all three before filing. Signing before a notary, judge or clerk arranged: Not yet; arrange before filing and do not sign beforehand. Neither pending task prevents preparation of this draft.

Your section 610.122 packet

Prepared for Jordan Lee Example for the civil division of the Circuit Court in Jackson County, Missouri. Review every prefilled fact before filing. This packet concerns one arrest on 01/12/2023 by Kansas City Police Department.

CR145 is the petition. FI-05 is the confidential filing cover sheet, including all four official source pages and extra party pages as needed. CR143 is included only because you indicated the receiving court requests a proposed order. No fee waiver was requested. Keep these instructions separate from documents submitted to the court.

Confirm the selected basis and records

You selected the false-information branch: arrest based on false information; no probable cause now to believe you committed the offense; no charges will be pursued; no related suspended imposition of sentence; and no related civil action pending. Review each sworn statement in CR145.

Request the arrest or booking report and citation from the arresting agency. Obtain your fingerprint-based criminal-history record from the Missouri State Highway Patrol to build and check the agency list; confirm its current search fees. If charges were filed on the traffic ground, obtain certified dismissal, nolle-prosequi or acquittal records for every related charge from the court clerk. Obtain any docket and accurate record-holder names and addresses. Verify the county where the arrest occurred, arrest date, offense, citation, OCN if assigned, case number and court division. Stop and obtain legal assistance if your records contradict a required statement; this packet does not decide eligibility.

Obtain three standard fingerprint cards before filing. Call a local police department or sheriff's office to ask whether it takes applicant fingerprint impressions for court expungement, can provide three cards in one visit, the current cost for each card, whether cash is required, and what identification to bring. Start early. One card is filed with the court; one is sent by the clerk to the Missouri Criminal Record Repository with the summons; keep the third card. These cards differ from fingerprints for a Highway Patrol criminal-history search, and you do not have to buy a criminal record merely to obtain them. The packet does not fabricate the cards.

Missouri arrest record expungement guide

Review and execute

Compare every prefilled name, address, birth date, Social Security number, driver license, arrest fact, case and defendant against your records. FI-05 is confidential: submit it using the court's confidential filing procedure; do not attach an unredacted copy to public instructions. The case-type table identifies XG for expungement of criminal/arrest records.

Do not sign CR145 beforehand. Take identification and sign its sworn statement before the notary, judge or clerk authorized to administer the oath. Leave new case number, court ORI, court assignments, court findings, dates, file stamps, judicial and notarial signatures to their owners. Leave the signature and both address lines under it blank until personal completion before the officer administering the oath.

The attached records checklist is part of these instructions: arrest/citation; criminal history; case and disposition documents if charges were filed; complete record-holder/service addresses; fingerprint card; and financial records if requesting waiver.

File and provide notice

File CR145 with the clerk of the civil division of the circuit court for Jackson County, where the arrest occurred. Ask that clerk for the current filing fee, payment method, required copies, filing method and local submission requirements. Do not substitute a conviction-expungement form for this arrest route.

CR145 directs the clerk to issue a copy to the prosecutor, send a copy of the petition and fingerprint card to the Missouri Criminal Record Repository, and notify the prosecutor and every named official, agency or entity of the hearing. Supply complete addresses, confirm issuance and notice procedures with the clerk, and retain filing/service receipts. No service or hearing is certified as completed in this packet.

The court sets a hearing no sooner than thirty days (30 days) after filing the petition and gives reasonable notice to every named official, agency or other entity. Attend the scheduled hearing and bring the underlying records and copies. Calendar the actual notice from the court; no hearing date or outcome is predicted.

Conditional order and fee waiver

Use CR143 only if the receiving court requests this proposed form and confirms it is appropriate. Its October 2016 text contains a no-prior-or-subsequent-convictions judicial finding that the April 2024 CR145 petition does not contain. Leave both judicial findings unchecked. Ask the court or counsel to resolve that wording before tendering the proposed order; do not infer a participant restriction, alter the court text or sign for the judge. The petition can be prepared without a requested proposed order.

If requesting GN10, review every income, expense, asset and debt, including spouse amounts when married. Review the GN10 reference to all attached FI-05 party sheets containing the supplied respondent addresses, then personally date and sign the penalty-of-perjury statement. GN10 has one page. The court decides whether to grant the requested fee waiver.

When self-help must stop

Obtain legal assistance if any civil action exists or is contemplated relating to the arrest or records, including an insurance or employment dispute; if commercial driver license status at arrest is uncertain; if the offense may involve intoxication-related traffic or boating; or if chapter 303 or moving-violation classification is unclear.

Stop for legal assistance if any related offense was not nolle prossed, dismissed or acquitted; if you received a suspended imposition of sentence for this arrest or a related offense; if the prosecutor or an agency protests expungement; or if anyone appeals under section 610.124.2.

Obtain legal assistance if no local agency will provide the fingerprint cards; if you are not a United States citizen or there may be an immigration consequence; or if you need to know whether destruction means a record can never be found. The false-information ground always requires legal assistance, even if no other stop applies.

Missouri arrest record expungement guide

After the decision

Obtain the signed order and confirm the clerk sends a copy to every named official, agency and other entity as CR143 directs. The order does not affect an entity that was not named as a defendant, so confirm the complete record-holder list before filing. Keep a certified copy and proof of delivery. Follow up with the named custodians and obtain an updated record to check implementation. Section 610.124 requires destruction of ordered records, or blacking out entries where destruction is not feasible because of permanent record books, removal from Missouri electronic files, and a central-repository request that the FBI expunge its files. No particular record outcome or timing is promised. If relief is denied or records remain, use the actual ruling and obtain legal assistance; do not assume records were erased automatically.
