Before filing

This packet is for case 19-M-000001 in Fayette County District Court. Use one petition per criminal case. Confirm the caption and every charge against the current court record and certification before signing.

File the petition within 30 days after receiving the certification. If the court has granted leave to proceed in forma pauperis, the controlling Kentucky record says the clerk may accept the petition without the fee or certification; obtain that order before relying on the exception.

Defendant's SSN is intentionally blank. Ask the Circuit Court Clerk how to provide this private identifier securely and whether a public filing copy should be redacted. Never use a made-up number.

If more than six charges, or the victims, relevant persons, or agency list exceeds the form space, file the attached schedule with the petition. Check every name and mailing address.

Sign, file, and serve

Sign and date AOC-496.2 only in the presence of a notary or the Circuit Court Clerk. The witness completes the jurat. The software has not signed, notarized, filed, served, or certified anything.

File with the Office of the Circuit Court Clerk in Fayette County, where the original charge was filed. 150 N. Limestone, First Floor, Lexington, KY 40507. Clerk telephone: 859-246-2228. Confirm copies, delivery method, and any local requirement directly with that clerk.

The controlling record states a \$100 filing fee per criminal case and says the first \$50 is non-refundable. The held AOC-496 proposed order separately says the clerk shall refund \$50 when a petition is denied. Those sources leave the actual unsuccessful-petition refund treatment unresolved. This packet makes no refund promise; confirm current handling with the clerk or counsel before relying on any refund.

The clerk serves the county attorney, each identified victim, and each person named as having relevant information. The participant does not serve them. The clerk sets any hearing no sooner than 30 days after filing. Leave every clerk service, hearing, and certification field blank.

AOC-496 is included only because local practice was confirmed to expect a tendered proposed order. Leave Check Box2 through Check Box8 and both Check Box9 choices blank. Leave all findings, grant/denial choices, Other findings, judge/date, and agency certification for the court and record custodians.

Stop conditions and follow-up

Stop automated self-help and seek individualized legal help if the offenses came from separate incidents, the county attorney or a victim will object, enhancement status is uncertain, the certification lists a disputed conviction, immigration advice is needed, the conviction itself is being challenged, or venue is unclear.

A filed petition or tendered proposed order does not mean the record is expunged. Attend the hearing if one is set. After a grant, the order directs named agencies to expunge and certify; keep the entered order and follow up with the clerk and agencies.
