

PETITION - ASK FOR THE CERTIFICATE THAT COMPLETES YOUR EXPUNGEMENT

IN THE COURT

(The detaining or probationary authority that supervised the participant, with the clerk of circuit court as the certificate's destination - see the filing instructions in this packet)

IN RE: Jordan Avery Reyes,
PETITIONER.

Case number, if the court assigns one at filing:

.....

PARTICIPANT REQUEST THAT THE SUPERVISING OR DETAINING AUTHORITY ISSUE AND FORWARD THE CERTIFICATE OF DISCHARGE (WIS. STAT. Sec. 973.015(1M)(B))

The petitioner, Jordan Avery Reyes, applies to this court under Wis. Stat. Sec. 973.015(1m); Wis. Stat. Sec. 973.015(1m)(b) and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Section 973.015(1m)(b) makes issuance mandatory rather than discretionary: upon successful completion of the sentence the detaining or probationary authority SHALL issue a certificate of discharge, which shall be forwarded to the court of record and which shall have the effect of expunging the record. The triggering event is successful completion - no subsequent conviction and, where the person was on probation, no revocation and satisfied conditions. Where that mandatory certificate was not issued, or was issued but never forwarded to the clerk, the participant may write to the supervising or detaining authority asking that it be issued and forwarded. No statute or rule prescribes the contents of that request and Wisconsin publishes no official participant form for it, so the correspondence is drafted. The letter supports implementation of an expungement the court already ordered; it does not itself change legal status, and the certificate remains the authority's document.

FILING INSTRUCTIONS - ASK FOR THE CERTIFICATE THAT COMPLETES YOUR EXPUNGEMENT

This page is for Jordan Avery Reyes.

WHAT THIS SET OF PAPERS IS

Participant Request that the Supervising or Detaining Authority Issue and Forward the Certificate of Discharge (Wis. Stat. Sec. 973.015(1m)(b)).

Section 973.015(1m)(b) makes issuance mandatory rather than discretionary: upon successful completion of the sentence the detaining or probationary authority SHALL issue a certificate of discharge, which shall be forwarded to the court of record and which shall have the effect of expunging the record. The triggering event is successful completion - no subsequent conviction and, where the person was on probation, no revocation and satisfied conditions. Where that mandatory certificate was not issued, or was issued but never forwarded to the clerk, the participant may write to the supervising or detaining authority asking that it be issued and forwarded. No statute or rule prescribes the contents of that request and Wisconsin publishes no official participant form for it, so the correspondence is drafted. The letter supports implementation of an expungement the court already ordered; it does not itself change legal status, and the certificate remains the authority's document.

WHERE IT GOES

The detaining or probationary authority that supervised the participant, with the clerk of circuit court as the certificate's destination

The letter goes to the supervising or detaining authority, because Sec. 973.015(1m)(b) places the issuing and forwarding duty on it. It asks that the certificate of discharge be issued and forwarded to the clerk of the circuit court of conviction, and asks the authority to confirm when that has been done. A copy to the clerk of circuit court is appropriate where the participant has already confirmed with the clerk that nothing was received.

Venue: Not a court filing. The request is addressed to the supervising or detaining authority for the participant's own case, which is statewide in scope: the Department of Corrections in most probation cases, or the detaining authority where the sentence included confinement.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: none Fee waiver as recorded: none

WHO MUST BE SERVED

Service as recorded: none. Ordinary mail or the authority's stated correspondence channel is sufficient; there is no service requirement. Notice as recorded: none. No notice to any other party is required, and no hearing arises from the request.

WHAT THE RECORD SAYS YOU MUST KNOW

- Confirm with the clerk of circuit court that no certificate of discharge was received before sending the request, and re-check Wisconsin Circuit Court Access afterwards to see whether the record left public access.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- The judge did not order expungement at sentencing. There is no certificate owed and the request would be pointless.
- Any dispute about whether completion was successful, particularly a revocation or a subsequent conviction, because those are the two facts that destroy the expungement entirely.
- The supervising authority declines to issue the certificate, or asserts that completion was not successful.
- The authority does not respond, or responds that it has issued and forwarded the certificate while the clerk says nothing was received.
- Any request to argue entitlement, allege agency fault or press the authority beyond a neutral request. That is individualized advocacy and outside self-help.
- Immigration consequences.
- Federal, tribal or out-of-state records.
- Neutral request only. Do not draft accusations of agency misconduct, assertions of legal entitlement that would require document review, or any individualized advocacy. Where the authority declines or disputes completion, refer to a lawyer.
- After the participant sends the request, issuance and forwarding are the supervising authority's acts and the sealing follows from the certificate reaching the clerk. The packet ends at the letter and the follow-up checklist.
