ORIGINAL COURT AND CASE

File this Motion in the original Wyoming criminal court and case. Copy the court name and case number exactly from the participant's court record. These are existing-case facts; do not treat the case number as a blank for a new court assignment and do not infer either value.

DECLARATION AND EVIDENCE

Complete and personally sign and date the Participant Declaration in Support of Motion. It asks for trafficking-victim status and the causal connection from personal knowledge without requiring graphic detail.

Official victim documentation creates a presumption when available, but its absence alone does not stop this route. If official documentation is unavailable, identify alternative evidence in declaration item 3.

SERVICE

Serve the State/prosecutor under W.R.Cr.P. 49. The controlling decision supplies no statewide hearing deadline, service mode, or certificate requirement, so this packet adds none.

SENSITIVE MATERIAL BEFORE FILING

Before filing, review every public copy and redact sensitive material under Wyoming's applicable rules. Where sensitive material must be provided, use the original criminal court's Wyoming restricted-filing procedure where applicable. Ask that original court how to use its restricted-filing procedure before submitting sensitive material. Filing this Motion does not automatically seal the Motion, declaration, or attachments.

FEE

No statewide fee amount or waiver is stated for this Motion. Ask the clerk of the original criminal court about the fee before filing; do not use a fee from a different Wyoming record-clearing procedure.

WHEN TO STOP AND GET HELP

- Stop if the court record does not establish the exact original court, case number, conviction, date, or other counts.
- Do not include graphic detail. State only the facts needed for trafficking-victim status and causal connection.

- Stop if safety, another case or count, immigration consequences, or disputed procedure requires legal help.
