RE: Written request under O.C.G.A. § 35-3-37(k)(2) to restrict facility records for an offence whose criminal history record information has already been restricted

To the records unit of Sample County Jail (synthetic sample facility):

My name is JOHN DOE. I am writing to ask your facility to restrict the records it maintains for an offence for which my criminal history record information has already been restricted under O.C.G.A. § 35-3-37.

The offence is: the misdemeanour charge stated on the sender's own criminal history report (synthetic sample offence). I was arrested and booked at your facility in Sample County, Georgia (synthetic) on 07/18/2022. My booking number was B-000000 (synthetic sample booking number). The court case number for the offence was the case number shown on the sender's own court record (synthetic sample answer).

As far as I know, the record was restricted automatically, without an application (synthetic sample answer), on or about a date shown on the sender's own criminal history report (synthetic sample answer). I enclose my own proof of that restriction, described below. I am not asking your facility to decide whether the restriction was correct. I am asking it to act on a restriction that has already happened.

O.C.G.A. § 35-3-37(k)(2) provides that an individual who has had criminal history record information restricted may submit a written request to the appropriate county or municipal jail or detention center to have all records for the restricted offence maintained by that jail or detention center restricted, and that the facility restrict access to all such criminal history record information within 30 days of the request. Record restriction by the Georgia Crime Information Center and sealing at the clerk of court do not reach your facility's own records, which is why I am writing to you directly.

I therefore request that your facility restrict access to all records it maintains for the offence identified above. Please send your written response to my mailing address shown at the top of this letter. Thank you for your attention to this request.

ENCLOSURES

- [COPY OF THE SENDER'S OWN PROOF THAT THE OFFENCE IS ALREADY RESTRICTED – THE CRIMINAL HISTORY REPORT SHOWING THE CYCLE AS RESTRICTED, OR THE RESTRICTING ORDER; SENDER ENCLOSURES A COPY ONLY]

Sincerely,

JOHN DOE
