To: the Central Criminal Records Exchange, Virginia Department of State Police.

Form CC-1203, acknowledgment II says that after the petition is filed the petitioner must request that the Central Criminal Records Exchange electronically forward a copy of the petitioner's Virginia and national criminal history record to the circuit court where the petition is filed. This page is that request.

Please forward the Virginia and national criminal history record of Jordan Avery Reyes to the Richmond City Circuit Court, for the sealing petition identified above.

The form on which the Department of State Police accepts this request, the identification it requires, and any charge for it are not stated on this page, because they are not established by the petition itself. The Department of State Police publishes the current procedure; ask the circuit court clerk if you cannot find it.

RECORDS CHECKLIST FOR THIS PETITION

Petitioner: Jordan Avery Reyes

Case number of the matter to be sealed: CR21000417-00

Circuit Court: Richmond City

Petition: CC-1203 - Petition for Sealing Pursuant to Va. Code Sec. 19.2-392.12:1(A) and/or (B)

Statutory route: Va. Code Sec. 19.2-392.12:1(B)

The petition asks for facts that live on your own court and arrest records. Gather these before you fill it in, and keep them together with the packet.

- ☐ The charge or conviction exactly as it is worded on your court record.
- ☐ The case number of the matter to be sealed. (The platform has filled this in for you as printed above; check it against your record.)
- ☐ The date of final disposition or conviction.
- ☐ The date of arrest, and the name of the agency that arrested you.
- ☐ The document control number (DCN), if your arrest paperwork shows one.
- ☐ A copy of the warrant, summons or indictment - the petition asks whether it is attached.
- ☐ Your sex and race as they appear on the court record, and your Social Security number.
- ☐ If an ancillary matter is included: its case number, disposition date, arrest date, agency, DCN and charging document.

RECORDS TO OBTAIN AND CHECK

☐ Obtain The participant's own Virginia criminal history record from the CCRE. Request your own copy from the CCRE for the fee they charge. This is a different thing from the court's copy: you must separately ask the CCRE to forward a copy electronically to the circuit court as part of the petition. The Norfolk clerk's guidance is that the case is established with the court first and the State Police request comes second, so the sequence matters. Obtain from: Virginia State Police, Central Criminal Records Exchange.

☐ Check your answer to "How did the case end, and on what date?" against The participant's own Virginia criminal history record from the CCRE, and correct the packet if they disagree.

☐ Obtain The circuit court case file, or the district court record held by that locality's circuit court. Ask the clerk of the circuit court of the locality where the case was disposed of for the case papers. District court charges are handled by that locality's circuit court, so that is where to ask even for a general district court charge. Obtain from: Clerk of the circuit court of the county or city where the case was disposed of.

☐ Check your answer to "How did the case end, and on what date?" against The circuit court case file, or the district court record held by that locality's circuit court, and correct the packet if they disagree.

AFTER FILING: Separately ask the Central Criminal Records Exchange to forward your Virginia and national criminal history record electronically to the circuit court. Your own copy gathered before filing does not replace this request.

If a record cannot be found, the petition has a box for that: it asks you to say why the information is not reasonably available. Say what you tried. Do not guess a date.

FILING INSTRUCTIONS

Petitioner: Jordan Avery Reyes

Case number of the matter to be sealed: CR21000417-00

Circuit Court: Richmond City

Petition: CC-1203 - Petition for Sealing Pursuant to Va. Code Sec. 19.2-392.12:1(A) and/or (B)

Statutory route: Va. Code Sec. 19.2-392.12:1(B)

This packet is prepared for sealing an ancillary matter left behind by automatic sealing, under Va. Code Sec. 19.2-392.12:1(B).

WHERE THIS GOES

File the petition with the CIRCUIT COURT for Richmond City. CC-1203 prints the circuit court's city or county on its own first page, and the platform has filled it in as printed above. If your case was decided in a General District Court or a Juvenile and Domestic Relations District Court, the petition still goes to the CIRCUIT COURT for that city or county, and the petition asks separately which court decided the case.

RECORDS TO OBTAIN AND CHECK

- Obtain The participant's own Virginia criminal history record from the CCRE. Request your own copy from the CCRE for the fee they charge. This is a different thing from the court's copy: you must separately ask the CCRE to forward a copy electronically to the circuit court as part of the petition. The Norfolk clerk's guidance is that the case is established with the court first and the State Police request comes second, so the sequence matters. Obtain from: Virginia State Police, Central Criminal Records Exchange.
- Check your answer to "How did the case end, and on what date?" against The participant's own Virginia criminal history record from the CCRE, and correct the packet if they disagree.
- Obtain The circuit court case file, or the district court record held by that locality's circuit court. Ask the clerk of the circuit court of the locality where the case was disposed of for the case papers. District court charges are handled by that locality's circuit court, so that is where to ask even for a general district court charge. Obtain from: Clerk of the circuit court of the county or city where the case was disposed of.
- Check your answer to "How did the case end, and on what date?" against The circuit court case file, or the district court record held by that locality's circuit court, and correct the packet if they disagree.

WHAT YOU DO, IN ORDER

1. Obtain and check the records listed above, applying each stated condition, then complete every item this packet's participant instructions list. Each one names the page and the words printed beside the blank.
2. Sign and date the petition yourself. The platform never signs for you and never dates a signature, so those lines are deliberately blank.
3. File the petition with the circuit court clerk.

4. Give or mail a copy to the Attorney for the Commonwealth, using the page in this packet headed for that purpose.
5. After filing, ask the Central Criminal Records Exchange to forward your Virginia and national criminal history record to that circuit court, using the page in this packet headed for that purpose.

WHAT THIS COSTS, AND WHY THERE IS NOTHING TO WAIVE

Nothing, at the courthouse. The controlling legal-design record for this track and the committed packet-set manifest state the fee position for this petition in the same words: "none. Sections 19.2-392.12(B) and 19.2-392.12:1(C) provide that no court fees or costs are charged for a sealing petition, and the 2025 acts repealed the Sealing Fee Fund. The CCRE charges its own fee for the participant's own copy of their criminal history record, which is a separate cost."

Those two sections are Va. Code Sec. 19.2-392.12(B) and Sec. 19.2-392.12:1(C). The route record this packet is built on says the same thing in its own words: "File the petition with no court fees or costs."

On a waiver, the same two records say: "none - no court fee is charged, so there is nothing to waive." So there is no filing fee for you to pay on this petition, and there is nothing for you to ask the court to waive. If a clerk asks you for a filing fee on this petition, that is worth questioning before you pay it. The charge the Central Criminal Records Exchange makes for your own copy of your own record is a separate cost and is not a court fee.

ONE THING THIS PACKET DOES NOT TELL YOU

- How long you have, and exactly how service must be made. The petition's own acknowledgment says a copy goes to the Attorney for the Commonwealth by delivery or by first-class mail with postage prepaid; it does not set a deadline, and neither does this page. Ask the clerk.

WHEN TO STOP AND GET A LAWYER

The committed track registry records these as the points where self-help ends on this route, in its own words. If any of them describes your case, stop here and take it to a lawyer or a legal-aid office rather than filing:

- The underlying charge or conviction has not in fact been sealed, which is the whole of the subsection J test.
- It is unclear which automatic-sealing section reached the underlying matter, because the offence-date floor applies to two of the three.
- The attorney for the Commonwealth objects or answers.
- Any immigration question.

WHAT THIS PACKET IS NOT

This is a prepared set of official Virginia forms and companion pages. It is not legal advice, it is not filed for you, and it does not decide whether the court will grant sealing.
