RECORDS CHECKLIST FOR THIS PETITION

Petitioner: Maria-Alejandra O'Shaughnessy-Whitfield

Case number of the matter to be sealed: CR24001276-01

Circuit Court: Virginia Beach

Petition: CC-1201 - Petition for Sealing Pursuant to Va. Code Sec. 19.2-392.12

Statutory route: Va. Code Sec. 19.2-392.12

The petition asks for facts that live on your own court and arrest records. Gather these before you fill it in, and keep them together with the packet.

- ☐ The charge or conviction exactly as it is worded on your court record.
- ☐ The case number of the matter to be sealed. (The platform has filled this in for you as printed above; check it against your record.)
- ☐ The date of final disposition or conviction.
- ☐ The date of arrest, and the name of the agency that arrested you.
- ☐ The document control number (DCN), if your arrest paperwork shows one.
- ☐ A copy of the warrant, summons or indictment - the petition asks whether it is attached.
- ☐ Your sex and race as they appear on the court record, and your Social Security number.
- ☐ If an ancillary matter is included: its case number, disposition date, arrest date, agency, DCN and charging document.

RECORDS TO OBTAIN AND CHECK

☐ Obtain The participant's own Virginia criminal history record from the CCRE. Request your own copy from the CCRE for the fee they charge. This is a different thing from the court's copy: you must separately ask the CCRE to forward a copy electronically to the circuit court as part of the petition. The Norfolk clerk's guidance is that the case is established with the court first and the State Police request comes second, so the sequence matters. Obtain from: Virginia State Police, Central Criminal Records Exchange.

☐ Check your answer to "How did the case end, and on what date?" against The participant's own Virginia criminal history record from the CCRE, and correct the packet if they disagree.

☐ Obtain The circuit court case file, or the district court record held by that locality's circuit court. Ask the clerk of the circuit court of the locality where the case was disposed of for the case papers. District court charges are handled by that locality's circuit court, so that is where to ask even for a general district court charge. Obtain from: Clerk of the circuit court of the county or city where the case was disposed of.

☐ Check your answer to "How did the case end, and on what date?" against The circuit court case file, or the district court record held by that locality's circuit court, and correct the packet if they disagree.

☐ Applies only in this situation: Where the participant may have out-of-state or federal convictions bearing on the felony-history bars or the clean-period test. Obtain FBI Identity History Summary. Request your Identity History Summary from the FBI. Virginia relief reaches Virginia records only, but the

felony-history bars and the clean-period test look at convictions anywhere, so this is how you check them. Obtain from: Federal Bureau of Investigation.

[] Applies only in this situation: Where the participant may have out-of-state or federal convictions bearing on the felony-history bars or the clean-period test. Check your answer to "Have you been convicted of anything since, anywhere? Virginia traffic infractions under Title 46.2 do not count." against FBI Identity History Summary, and correct the packet if they disagree.

[] Applies only in this situation: Only where restitution was ordered on any charge, conviction or ancillary matter in the petition; Sec. 19.2-392.12(F)(4) requires it to be paid in full. Obtain Proof that court-ordered restitution is paid in full. Ask the clerk or the collecting agency for a payoff or zero-balance statement. Section 19.2-392.12(F)(4) makes full payment a criterion, so an outstanding balance defeats the petition. Obtain from: Clerk of the court that ordered it, or the collecting agency.

[] Applies only in this situation: Only where restitution was ordered on any charge, conviction or ancillary matter in the petition; Sec. 19.2-392.12(F)(4) requires it to be paid in full. Check your answer to "Was court-ordered restitution ordered on any charge, conviction or ancillary matter you want sealed, and is it paid in full?" against Proof that court-ordered restitution is paid in full, and correct the packet if they disagree.

AFTER FILING: Separately ask the Central Criminal Records Exchange to forward your Virginia and national criminal history record electronically to the circuit court. Your own copy gathered before filing does not replace this request.

If a record cannot be found, the petition has a box for that: it asks you to say why the information is not reasonably available. Say what you tried. Do not guess a date.

This packet is prepared for sealing a misdemeanour conviction or deferred dismissal under Va. Code Sec. 19.2-392.12.

WHERE THIS GOES

File the petition with the CIRCUIT COURT for Virginia Beach. CC-1201 prints the circuit court's city or county on its own first page, and the platform has filled it in as printed above. If your case was decided in a General District Court or a Juvenile and Domestic Relations District Court, the petition still goes to the CIRCUIT COURT for that city or county, and the petition asks separately which court decided the case.

RECORDS TO OBTAIN AND CHECK

- Obtain The participant's own Virginia criminal history record from the CCRE. Request your own copy from the CCRE for the fee they charge. This is a different thing from the court's copy: you must separately ask the CCRE to forward a copy electronically to the circuit court as part of the petition. WHAT YOU DO, IN ORDER

1. Obtain and check the records listed above, applying each stated condition, then complete every item this packet's participant instructions list. Each one names the page and the words printed beside the blank.
2. Sign and date the petition yourself. The platform never signs for you and never dates a signature, so those lines are deliberately blank.
3. File the petition with the circuit court clerk.
4. Give or mail a copy to the Attorney for the Commonwealth, using the page in this packet headed for that purpose.
5. After filing, ask the Central Criminal Records Exchange to forward your Virginia and national criminal history record to that circuit court, using the page in this packet headed for that purpose.

WHAT THIS COSTS, AND WHY THERE IS NOTHING TO WAIVE

Nothing, at the courthouse. The controlling legal-design record for this track and the committed packet-set manifest state the fee position for this petition in the same words: "none. Sections 19.2-392.12(B) and 19.2-392.12:1(C) provide that no court fees or costs are charged for a sealing petition, and the 2025 acts repealed the Sealing Fee Fund. The CCRE charges its own fee for the participant's own copy of their criminal history record, which is a separate cost."

Those two sections are Va. Code Sec. 19.2-392.12(B) and Sec. 19.2-392.12:1(C). The route record this packet is built on says the same thing in its own words: "File the petition with no court fees or costs."

On a waiver, the same two records say: "none - no court fee is charged, so there is nothing to waive." So there is no filing fee for you to pay on this petition, and there is nothing for you to ask the court to waive. If a clerk asks you for a filing fee on this petition, that is worth questioning before you pay it. The charge the Central Criminal Records Exchange makes for your own copy of your own record is a separate cost and is not a court fee.

ONE THING THIS PACKET DOES NOT TELL YOU

- How long you have, and exactly how service must be made. The petition's own acknowledgment says a copy goes to the Attorney for the Commonwealth by delivery or by first-class mail with postage prepaid; it does not set a deadline, and neither does this page. Ask the clerk.

WHEN TO STOP AND GET A LAWYER

The committed track registry records these as the points where self-help ends on this route, in its own words. If any of them describes your case, stop here and take it to a lawyer or a legal-aid office rather than filing:

- The attorney for the Commonwealth files an objection or an answer, or the court sets a hearing.
- Any offence that may fall within the nineteen subdivisions of the Sec. 19.2-392.12(L) exclusion list.
- Any victim who may be a family or household member as defined in Sec. 16.1-228, which subdivision L.19 excludes and which is far broader than assault of a family member.
- Any firearm involvement in the transaction, which subdivision L.4 excludes for a non-violent felony unless firearm rights have been restored under Sec. 18.2-308.2.
- Any question about the felony-history bars, which turn on the national criminal history record.
- Any petitioner who has previously obtained sealing under Sec. 19.2-392.12.
- Any alcohol or drug involvement requiring a rehabilitation showing.
- Immigration consequences.
- Any attack on the underlying conviction.

WHAT THIS PACKET IS NOT

This is a prepared set of official Virginia forms and companion pages. It is not legal advice, it is not filed for you, and it does not decide whether the court will grant sealing.
