Marion T. Ellsworth

Pursuant to section 610.122, RSMo, I request that the court issue an order to expunge my record of arrest, for the following criminal case: 2023CR004182

- ☐ I am filing this petition in the county where the arrest occurred and I did not receive a suspended imposition of sentence (SIS) for the offense for which the arrest was made or for any offense related to the arrest. I also state that the arrest was based on false information; there is no probable cause at the time of the action to expunge to believe that I committed the offense; no charges will be pursued as a result of the arrest; and no civil action is pending relating to the arrest or the records sought to be expunged. I am providing my fingerprints on a standard fingerprint card for verification of my identity.
- ☐ I am filing this petition in the county where the arrest occurred. I was arrested for, or was subsequently charged with, a misdemeanor offense of chapter 303 or a moving violation as the term "moving violation" is defined under section 302.010, RSMo, except for any intoxication-related traffic or boating offense as "intoxication-related traffic offense" and "intoxication-related boating offense" are defined under section 577.001, RSMo; and each offense or violation related to the arrest was subsequently nolle prossed or dismissed, or I was found not guilty of each offense or violation; I am not a commercial driver's license holder and was not operating a commercial motor vehicle at the time of the arrest; and no civil action is pending relating to the arrest or the records sought to be expunged. I am providing my fingerprints on a standard fingerprint card for verification of my identity.

I have reason to believe the agencies named above as defendants may possess records subject to expungement.
