

GEORGIA BUREAU OF INVESTIGATION
GEORGIA CRIME INFORMATION CENTER
AGENCY INSTRUCTIONS FOR REQUEST TO RESTRICT (EXPUNGE) ARREST RECORD for Arrests Prior to
07/01/2013

1. O.C.G.A. §35-3-37 provides for the restriction of certain criminal history records for non-criminal justice purposes when approved by the prosecuting attorney.
 - For arrests prior to July 1, 2013 the applicant is required to apply for restriction at the arresting agency. Arresting agencies may require a processing fee not to exceed \$50.00 as authorized per §35-3-37.
 - The REQUEST TO RESTRICT ARREST RECORD is a three section (page) form.
 - Section One is completed by the applicant. Each request form may contain only one (1) Date of Arrest (there may be multiple charges for that arrest).
 - Section Two is completed by the arresting agency. The entire form is forwarded to the prosecutor for approval/denial.
 - Section Three is completed by the prosecutor. If approved, the prosecutor may enter the appropriate disposition restriction code using the GCIC CCH User Interface and notify the applicant that the restriction is complete. The arresting agency will receive a notification from GCIC that the record has been restricted. If the prosecutor enters the restriction in the CCH User Interface the application and fee should not be forwarded to GCIC.
 - If the prosecutor does not have access to the CCH User Interface, the application may be returned to the arresting agency.
 - The arresting agency should advise the applicant to forward the approved application to GCIC including the GCIC processing fee. Incomplete applications or those missing the required fee will not be processed and will be returned to the applicant. Do not forward the restriction application to GCIC if the request is denied by the prosecutor.
 - Applicants may send the approved Request to Restrict Arrest Record form and \$25.00 fee (money order or certified check payable to "Georgia Bureau of Investigation") to:

Georgia Crime Information Center Record Restrictions
P.O. Box 370808
Decatur, Georgia 30037-0808

- GCIC will send a letter to the street address listed on Page 1 of the application when the restriction has been applied to the Georgia criminal history.
2. For arrests occurring July 1, 2013 or later, there is no application process. The prosecutor may approve the restriction at the time of sentencing. If restriction is approved upon sentence completion, it should be noted in the sentencing documentation forwarded to the court.
 3. When the restriction has been applied to the Georgia criminal history, access to that specific arrest cycle is restricted for non-criminal justice purposes (Employment/Licensing). However, such information may be available through other sources. GCIC has no control over information provided by local agencies or private vendors.

SYNTHETIC EXAMPLE - NOT FOR SUBMISSION

Purpose and packet contents

This is the initial application for an arrest before July 1, 2013. It is not an approval, a court petition, or the procedure for a newer arrest. Keep all four official pages together: instructions; Section One (you); Section Two (arresting agency); Section Three (prosecutor). Only Section One is prepared. These added pages are instructions, not a filing substitute.

Your selected route

All charged offenses reduced to a local ordinance violation. Arrest date: 06/15/2010. Reported outcome date: 02/10/2011. These are supplied facts for the selected route, not a prosecutor's finding. Compare all charges from this arrest against the actual record before signing. Charges from another arrest date require a separate application.

Complete and check Section One

Review Name, Date of Birth, Race, Sex, Telephone Number, Email, Street Address, City, State, Zip Code, Arresting Agency, Date of Arrest and Offenses(s) Arrested For. Race and sex are only transcribed when supplied, never inferred. Keep the full offense wording. Do not shorten a charge or substitute an outcome for the offense.

Information still needed

Social Security Number: We have left this field blank. Enter your own number privately on the official paper form, not in ordinary email. Ask the agency how to proceed if you have no Social Security Number.

Sign only after checking

Sign and date the applicant's Section One on the day you sign. No signature, signing date, notarial act or digital consent was inserted. This source does not call for notarization. Leave the GBI Use Only box and all of Sections Two and Three untouched, including the repeated arrest, agency and case facts.

Agency submission and charges

SYNTHETIC EXAMPLE - NOT FOR SUBMISSION

Obtain and compare the record

Obtain your own Georgia criminal history through a Georgia sheriff's office or police department. Ask that office about identification, request method and any record-copy charge before paying. A screening answer is not a criminal-record search. Confirm this arrest is on the Georgia or FBI history. This form cannot be processed if it appears on neither. Do not check the agency's history boxes yourself.

Where to submit first

Submit the complete official form to the arresting law enforcement agency named in Section One, not directly to GCIC and not to a court. Confirm that agency's records-unit mailing address, hours, delivery method and charge. No agency address or contact response has been invented in this packet. Keep a copy and proof of the date the agency received it.

What the agency and prosecutor do

The arresting agency completes Section Two and forwards the entire form to the prosecutor. The prosecutor completes Section Three and decides the action. Section 35-3-37(n)(2) provides a 90-day prosecutor review period and a presumption of no objection after nonresponse. Track actual receipt dates and ask the agency/prosecutor for the status; do not turn elapsed time into a fabricated signature, approval or completed application.

Disposition document branch

The disposition is reported on the Georgia history. No additional disposition-acquisition component was selected. Compare the actual report and follow any specific request from the agency. A report or official case record has not been generated or attached here.

Fees and inability to pay

The arresting agency may charge a processing fee of no more than \$50 under the official instructions. Its actual charge must be confirmed; do not assume it is \$50. The separate \$25 GCIC fee applies only when an approved complete application is forwarded to GCIC. It does not apply when the prosecutor enters the restriction directly in CCH. No statutory fee waiver or waiver form for these agency charges is established by this source set. If paying is difficult, ask the agency about reduced/no-cost processing and a local record-restriction clinic about assistance before paying. A product charge or sponsorship is separate from an agency charge.

After the prosecutor responds

SYNTHETIC EXAMPLE - NOT FOR SUBMISSION

After approval: distinguish the two paths

If the prosecutor approves and enters the restriction in the GCIC CCH interface, do not send an application or \$25 fee to GCIC. Ask for completion confirmation and keep it. If the prosecutor approves but cannot enter it in CCH, follow the agency's directions to forward the actual completed, approved form to GCIC. Do not mail this unsigned initial application as if Sections Two and Three were approved.

Approved-paper forwarding only

After actual approval and the agency's forwarding direction, send the complete approved form with a \$25 money order or certified check payable to Georgia Bureau of Investigation to: Georgia Crime Information Center, Record Restrictions, P.O. Box 370808, Decatur, GA 30037-0808. Confirm current instructions before mailing. Incomplete or unpaid applications are returned. Do not pay by inserting invented payment details in the GBI Use Only box.

Do not forward a denial or research return

If denied, or returned for further research, do not forward to GCIC. Keep the response and its receipt date. Get prompt legal help rather than use this packet as an appeal. Georgia.gov tells applicants to seek judicial review within 30 days of denial; treat that as an urgent outside limit for obtaining advice, not a guarantee of the applicable filing deadline. A civil action, service on respondents or a contested hearing is outside this initial self-help packet.

Check completion and keep copies

For complete paper requests, Georgia.gov describes processing as typically two to three weeks; this is not a guarantee. GCIC sends a letter to the street address in Section One when it applies the restriction. Keep your submitted application, disposition records, proof of receipt, approval, payment proof when applicable, and the completion letter. Obtain an updated history and check the specific arrest cycle. Missing confirmation is not proof that the record is restricted.

Limits and further help

Restriction limits access for non-criminal-justice purposes; it is not record destruction or separate court sealing. Local sources and private databases may retain information. It does not settle federal or immigration disclosure duties. Restriction does not remove employment or office disqualifications that apply under O.C.G.A. 42-8-63.1; see 35-3-37(u). This does not mean every job is barred or every employer may access the record. Stop for immigration consequences, a disputed outcome, a disqualifying same-incident plea, a statutory exclusion, a denial or a request for court enforcement. The Georgia Judicial Council record-restrictions page links to legal help and clinics. It is not a promise of representation.
