.....

EXPUNCTION AFTER SUCCESSFUL COMPLETION OF JUDICIAL DIVERSION, T.C.A. Sec. 40-32-106(D) AND Sec. 40-35-313

The petitioner, Jordan Avery Reyes, applies to this court under T.C.A. Sec. 40-32-106(d)(1); T.C.A. Sec. 40-32-106(d)(2); T.C.A. Sec. 40-32-106(d)(3); T.C.A. Sec. 40-35-313; T.C.A. Sec. 40-32-102(c); T.C.A. Sec. 8-21-401; T.C.A. Sec. 40-39-202 and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Judicial diversion under T.C.A. Sec. 40-35-313 is a conditional guilty plea with no judgment of conviction entered: the court defers adjudication and places the person on probation, typically six to eighteen months, and on successful completion discharges and dismisses the case. A completed judicial diversion is not a conviction under Tennessee law. Under Sec. 40-32-106(d)(1) the person may then petition for expunction where the charges were dismissed as a result of successful completion of a judicial diversion programme pursuant to Sec. 40-35-313. Public Chapter 268 amended Sec. 40-35-313(b) and (c) to replace the old Sec. 40-32-101 subdivision citations with references to Sec. 40-32-101 and to title 40, chapter 32, which is the official cross-reference confirming the route survived the reorganization. The clerk's fee under Sec. 8-21-401 applies, the TBI certificate is required, and the Sec. 40-32-106(d)(2) sexual-offence bar applies here too. Federal systems and security-clearance background checks may still see the underlying guilty plea, which should be stated to every judicial diversion participant.

C. THE FACTS OF THIS MATTER, WHICH THE PETITIONER SUPPLIES FROM THE RECORD

Each item below is printed in the words the committed record uses for it. Fill each one from the record itself.

[C1 - originating court] Which court handled the case, and in which county? A separate filing is needed in each county where you have a case.

.....

.....

[C2 - docket number] What is the docket or case number?

.....
.....

[C3 - offence and disposition] What was the charge, and exactly how did the case end?

.....
.....

[C4 - disposition date] On what date did the case end?

.....
.....

[C5 - state control number] What is the state control number on your TBI criminal history? The expunction order cannot be completed without it.

.....
.....

[C6 - other convictions] List every other conviction you have anywhere, including federal and out-of-state.

.....
.....

[C7 - citizenship or clearance] Are you asking about this because of immigration, federal employment or a security clearance? Tennessee expunction does not reach federal records.

.....
.....

[C8 - diversion kind] Was it pretrial diversion, where you did not plead guilty and prosecution was suspended, or judicial diversion, where you entered a plea but no judgment of conviction was entered?

.....
.....

[C9 - successfully completed] Did you successfully complete everything the diversion required, and were the charges then dismissed?

.....
.....

[C10 - sexual offence] Was the offence a sexual offence or a violent sexual offence as Tennessee defines those for the registry? Those can be diverted but cannot be expunged.

.....
.....

[C11 - petition filed before] Have you already filed a petition to expunge this case?

.....
.....

[C12 - conditional plea] Did you enter a guilty plea that the court held without entering a judgment of conviction, and then complete probation?

.....
.....

D. THE REQUEST

FILING INSTRUCTIONS - CLEAR A CASE AFTER COMPLETING JUDICIAL DIVERSION

This page is for Jordan Avery Reyes.

WHAT THIS SET OF PAPERS IS

Expunction after successful completion of judicial diversion, T.C.A. Sec. 40-32-106(d) and Sec. 40-35-313.

Judicial diversion under T.C.A. Sec. 40-35-313 is a conditional guilty plea with no judgment of conviction entered: the court defers adjudication and places the person on probation, typically six to eighteen months, and on successful completion discharges and dismisses the case. A completed judicial diversion is not a conviction under Tennessee law. Under Sec. 40-32-106(d)(1) the person may then petition for expunction where the charges were dismissed as a result of successful completion of a judicial diversion programme pursuant to Sec. 40-35-313. Public Chapter 268 amended Sec. 40-35-313(b) and (c) to replace the old Sec. 40-32-101 subdivision citations with references to Sec. 40-32-101 and to title 40, chapter 32, which is the official cross-reference confirming the route survived the reorganization. The clerk's fee under Sec. 8-21-401 applies, the TBI certificate is required, and the Sec. 40-32-106(d)(2) sexual-offence bar applies here too. Federal systems and security-clearance background checks may still see the underlying guilty plea, which should be stated to every judicial diversion participant.

WHERE IT GOES

The county criminal, circuit or general sessions court having jurisdiction in the previous action
Confirmed on 2026-08-06 by direct inspection of both Tennessee AOC form indices: the self-help forms page publishes only divorce and order-of-protection forms, and the full forms-and-publications inventory covers appellate, divorce, general sessions civil, mediation, non-IV-D child support, order of protection, parenting plan and trial court forms, plus licensing forms. No expunction form appears in either. This is a negative finding established by inspection of the authoritative index, not by failure to search.

Venue: Statewide statute with originating-court venue. The petition goes to the court having jurisdiction in the previous action - the county criminal, circuit or general sessions court where the case originated. A person with cases in several counties files separately in each. There is no statewide participant form, so what varies locally is the clerk's own paperwork: the AOC directs filers to check with the court clerk because separate forms may be required for multiple charges.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: A clerk's fee applies. Section 40-32-106(d)(3) requires the appropriate clerk's fee pursuant to T.C.A. Sec. 8-21-401 for destroying the records, which is the asymmetry a participant should be warned about: diversion is a non-conviction outcome but it is not free, whereas a straight dismissal is. The amount is set by Sec. 8-21-401 and no figure is quoted here. Fee waiver as recorded: No indigency or fee-waiver provision appears in the reorganized Sec. Sec. 40-32-106 to 40-32-110. The TBI operates an unpublished indigency procedure for its separate diversion certificate fee, requiring a form signed by the judge that it supplies on request and does not publish. No waiver mechanism for the clerk's expunction fee was identified.

WHO MUST BE SERVED

Service as recorded: Through the clerk. The participant does not effect service. Notice as recorded: The clerk serves the petition on the district attorney general in the ordinary course.

WHAT THE RECORD SAYS YOU MUST KNOW

- Confirm the statutory citation with the county clerk or district attorney general before every filing. Chapter 32 was reorganized by Public Chapter 268 of 2025, effective 2025-04-24, and codified by Public Chapter 608, the 2026 Code Bill, effective 2026-03-25. Clerks and published guidance may still use the pre-reorganization numbering: the Tennessee AOC's own expunction page is titled to say updated information is coming to reflect changes to T.C.A. Sec. 40-32-101 and still reasons from that section, which since 2025-04-24 has been nothing but a definitions section. A generated petition citing the wrong section is a rejection risk either way, so the packet is built to carry the current citation with the superseded one noted, and instructs the participant to confirm before filing.
- A petition is still required after diversion. Completing diversion dismisses the case but leaves it visible until a separate expunction petition is filed, and this is the second most common Tennessee misunderstanding after the not-automatic point.
- Federal systems and security-clearance background checks may still see the underlying guilty plea from a judicial diversion. That should be stated to every judicial diversion participant.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any dispute with the district attorney general about eligibility, or any indication the office will oppose.
- Any other conviction anywhere on the record, including federal and out-of-state convictions that would be ineligible in Tennessee.
- Unpaid court costs, fines or restitution, which mean the sentence is not complete.
- Any DUI, sexual offence or registration matter.
- Any domestic violence or child-victim offence.
- Federal, military, tribal or out-of-state records, which Tennessee expunction does not reach.
- Immigration consequences, and any security-clearance question.
- Any question that turns on whether the county clerk uses the pre-2025 or the reorganized section numbering.
- The offence was a sexual offence or a violent sexual offence as defined in T.C.A. Sec. 40-39-202. It could be diverted but it cannot be expunged, and the participant needs to be told that plainly rather than sold a petition.
- The diversion was not successfully completed, or completion is disputed.
- The participant's goal involves federal employment or a security clearance, since a judicial diversion guilty plea may remain visible there.
- The participant's goal involves federal employment or a security clearance. Federal systems may still see the underlying guilty plea from a judicial diversion even after expunction.
