**Judgment and Order of Expungement – Section 610.140, RSMo.**

On (date), the court finds as follows:

1. That the appropriate amount of time has lapsed since the arrest, and/or completion of the authorized disposition imposed for each offense for which Petitioner is asking to have expunged; it has been at least three years for any felony offense or least one year for any misdemeanor, infraction, or ordinance violation;
2. That Petitioner has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 301, 302, 303, 304, and 307, RSMo, during the time period specified for the underlying offense, violation, or infraction;
3. That Petitioner has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;
4. That Petitioner does not have any charges pending;
5. That Petitioner's habits and conduct demonstrate that Petitioner is not a threat to the public safety of the state; and
6. That the expungement is consistent with the public welfare and the interests of justice warrant the expungement.

The court further finds Petitioner in the above titled cause is entitled to an expungement pursuant to section 610.140, RSMo, of the arrest, plea, trial, or conviction record(s) specified below in this Judgment.

**Therefore, it is so Ordered:**

Petitioner's records related to the arrest, plea, trial, or conviction record(s) specified herein are hereby expunged. The court orders each agency identified in the petition to close the arrest, plea, trial, or conviction record(s) of the petitioner specified below:

Any records maintained by the courts or administrative agency shall be maintained as confidential records under section 610.120, RSMo, and available only to the parties or by order of court for good cause shown. A copy of this order shall be sent to the agencies identified in the petition which may have records related to Petitioner's arrest, plea, trial, or conviction record(s). # Missouri arrest-only expungement filing guide

## Packet and filing location

Prepared for Jordan Alexandria Example. This is a synthetic example, not an actual person or case.

This packet concerns an arrest that never became a charge. File only in a court of competent jurisdiction in Jackson County, where the arrest occurred.

Included: CR360 petition; FI-05 confidential filing sheet; the attached continuation when shown; CR370 only because this synthetic fixture says the court expects a proposed judgment; GN10 only when the participant asked for a fee-waiver form; and these instructions.

The clerk assigns the new expungement case number and filing date. The judge or clerk assigns the division. Leave all court findings, hearing information, judgment date and judge signature blank. The participant personally reviews and signs CR360. Use the planned filing date shown in the intake (09/12/2026) when checking timing; a waiting period must have run when the petition is filed.

## Verify records and participant fields before filing

Obtain the arrest report and a fingerprint-based Missouri State Highway Patrol record. Search Case.net in the arrest county using the participant's current and prior names and confirm that no case was opened from this arrest. Confirm the arrest date, arrest county, arresting agency, alleged offense, that no charge was ever filed, and that no charge or guilty finding occurred during the eighteen-month period.

Confirm the participant identity and contact data: full legal name, date of birth, sex selection, race and ethnicity selection, current address, driver-license number/state/expiration, phone, email and full Social Security number for confidential FI-05. FI-05 is confidential and must go through the clerk's confidential filing channel.

Confirm every agency defendant against the records. An expungement order does not affect an entity that is not named. Do not invent an agency or address. Extra records, OCNs and agencies are carried on the continuation.

Review CR360 paragraphs 1 through 7 and the prior-expungement election. The official form prints sworn factual and legal statements. LegalEase has not chosen the public-safety or interests-of-justice conclusions. Sign only if every printed statement and attachment is true.

## Fees, signatures and clerk handback

Ask the filing clerk for the current county-variable filing fee, accepted payment method, copy count, and whether the court expects CR370. The former \$250 surcharge was repealed and is not quoted here.

If requesting a waiver, review GN10 income, expenses, assets and debts; supply the Respondent's Address/Telephone caption field as the clerk directs for multiple defendants; then personally date and sign the penalty-of-perjury statement. The held SJRC (07-15) GN10 is one page and carries no page-two court order. No income answer, signature or court decision is inferred.

The participant does not serve the prosecutor. The clerk gives statutory notice. A prosecutor may object in writing within thirty days after service; if there is an objection, the court may set a hearing within sixty days after the objection. Do not write a hearing date or claim that notice occurred. The court process may take up to six months for an order or dismissal; obtain the actual filed result.

After a signed judgment, obtain a filed copy and ask which named agencies received it. CR370 in this packet is an unsigned proposal and is never proof that relief was granted. Missouri relief closes records under section 610.120; it does not destroy them.

## Arrest-only route and separate continuation

The arrest-only route requires the Case.net no-case check and the arrest-only facts under section 610.140.7. If a charge was opened, use the correct charge or conviction route instead of asserting that no charge was filed.

## Missouri arrest-only expungement filing guide

CR360 prints conviction-oriented sentences even on this arrest-only route. The attached section 610.140.7 continuation preserves the official form and supplies the arrest facts. The participant reviews and signs this continuation separately from CR360. Confirm with the clerk or counsel that CR360 plus this continuation is accepted and whether the arrest-only filing uses case type X5 rather than XG.

A prosecutor objection, victim issue or contested hearing requires a clerk or counsel handoff. Questions about immigration, firearm rights, professional licensing, banking, insurance, employment, or federal employment require counsel before filing. A second arrest during the eighteen-month period and whether an arrest-only expungement counts against a lifetime cap also require counsel.

### Stop and get legal or clerk help

Stop if a charge was opened from the arrest, fewer than eighteen months have passed, the participant was charged or found guilty of a misdemeanor or felony during that period, the arrest date or county is uncertain, or the agency list is incomplete.

Review the separate section 610.122 route first if the arrest involved false information or a qualifying chapter 303 or moving-violation disposition, because that route may provide destruction rather than closure.

Stop for counsel if the prosecutor or a victim contests relief, a hearing is required, records span more than one county, or the participant has an immigration, firearm, licensing, banking, insurance, gaming, federal-employment or other collateral-rights question.

### Participant boundary

These packet pages prepare forms; they do not decide eligibility, make sworn statements for the participant, or provide a court ruling. Ask the filing clerk or counsel to resolve any question that this guide marks for a handoff.
