COPY FOR THE PROSECUTING OFFICE

Enclosed is a copy of the motion filed by Jordan Avery Reyes under D.C. Code Sec. 16-803: MOTION FOR EXPUNGEMENT OF RECORDS ON GROUNDS OF ACTUAL INNOCENCE UNDER D.C. CODE Sec. 16-803.

Under the recorded rule for this motion, the motion is served on the prosecutor, and the prosecutor need not respond unless the Court orders it. Do not expect an opposition by default.

WHICH OFFICE, AND WHERE, IS NOT STATED HERE. Two offices prosecute District of Columbia cases - the United States Attorney's Office for the District of Columbia and the Office of the Attorney General for the District of Columbia - and no source this packet is built from states the rule for which office prosecuted a given case or its correct service address. A guessed recipient in a service instruction is worse than none. Before you serve this copy, ask the Criminal Division clerk's office, 500 Indiana Avenue NW, Room 4001, Washington, DC (202-879-1373), or the Seal Team at criminalmotionsealteam@dcsc.gov which office prosecuted your case and the correct service address, and use exactly what they tell you.

This page is not proof of service and does not say that anything has been served. It is completed and signed by the movant when the copy actually goes out, in the manner the clerk directs. A date or a signature written before the copy goes out would be false.

FILING INSTRUCTIONS

This packet is prepared for expunging a District of Columbia record on grounds of actual innocence by motion under D.C. Code Sec. 16-803.

Prepared for: Jordan Avery Reyes

WHAT YOU DO, IN ORDER (steps one, two and five are stated by the Criminal Division's own instruction sheet, Rev. April 10, 2024, verified byte-exact for this packet):

STEP ONE. Call (202) 727-4245 to make an appointment with the Metropolitan Police Department (MPD) to request a copy of your arrest history report.

STEP TWO. Request the disposition of your case from DC Superior Court: email criminalcustomerservice@dcsc.gov, or ask in person at the Criminal Division clerk's office, 500 Indiana Avenue NW, Room 4001, Washington, DC, between 8:30 a.m. and 5:00 p.m.

STEP THREE. Fill in every dotted blank in this packet from those records. Do not guess a date, a charge wording or a case number.

STEP FOUR. Sign and date the motion yourself. The platform never signs for you and never dates a signature.

STEP FIVE. Send all your documents - your arrest record, your case disposition, and the motion - to criminalmotionsealteam@dcsc.gov. The Seal Team gives the motion a case number and assigns it to a judge to decide. The instruction sheet states this process can take up to six months. Whether any other filing channel is available is not stated by any held source; ask the clerk's office if email will not work for you.

STEP SIX. Serve a copy of the motion on the prosecuting office, using the service page in this packet, after asking the clerk which office prosecuted your case and its correct service address. The prosecutor need not respond unless the Court orders it.

MONEY. No source this packet is built from states a filing fee, that filing is free, or a fee-waiver procedure for this motion. Before filing, ask the Criminal Division clerk's office, 500 Indiana Avenue NW, Room 4001, Washington, DC (202-879-1373), or the Seal Team at criminalmotionsealteam@dcsc.gov whether any fee applies and, if you cannot pay it, how to ask for a waiver.

ONE MOTION PER CASE NUMBER. File one motion per case number in the case being addressed. The filing window is any time.

THE STATUTORY WARNING, D.C. CODE Sec. 16-803(e). An acquittal or dismissal does not establish a presumption of innocence. You carry the burden of demonstrating, by a preponderance of the evidence, that the offence did not occur or was not committed by you.

REPEAT MOTIONS. A second motion no sooner than one year after the first is resolved, and a third and final motion no sooner than one year after the second - except that a motion on different grounds may be filed at any time.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- the prosecutor files an opposition or the court orders a response;
- the court sets a hearing, at which both sides may present witnesses or proceed by proffer;
- the relief turns on an affirmative evidentiary showing of innocence on disputed facts and you are unsure of your evidence;
- the record is federal, military, tribal, or from another jurisdiction;
- a prior motion was denied inside the one-year window;
- immigration, firearm, licensing, security clearance, childcare, healthcare, or law enforcement employment consequences are in play.

WHAT THIS PACKET IS NOT

This is a prepared set of composed pleading and process pages. No official court form exists for this motion - the statute fixes the motion's content, which is why these pages are composed - and this packet is not legal advice, it is not filed for you, and it does not decide whether the Court will grant relief. Expunging destroys a record; sealing hides it from public view.
