SYNTHETIC QA EXAMPLE - DO NOT FILE

This packet uses official CC-DC-CR-072D for the stated cannabis CONVICTION, not the favorable-disposition form, an early-release form, a pardon application, a sentence-reduction application or a proposed expungement order. The government has not approved this request. Any example marked synthetic is not a real person's filing.

Case D-10-CR-18-900001; Jordan Avery Reyes; Carroll County (DC). Check the complete charging document, every disposition and sentence/supervision history. Record check: not_shown on Case Search; court-record status exists_unexpunged. Verification reference: Synthetic fixture: clerk record status supplied, not an actual clerk contact. This is supplied information, not a LegalEase database search or invented clerk contact.

Before paying or filing, verify whether the COURT record still needs relief. Criminal Procedure 10-112 removes qualifying old cannabis-only cases from the Central Repository; it does not by itself destroy the court file. Case Search can also omit cannabis cases by law. A missing search result is not proof that the court record was expunged. Ask the clerk about the actual file and any prior expungement order. Do not pay for duplicate relief where the court has already expunged it.

Your selected 072D request

Selected basis: Cannabis possession after sentence completion (Criminal Procedure 10-105(a)(12), (c)(8)). Event: arrest on 2018-01-10; conviction 2018-04-02; sentence completion [not supplied]. The selected source recital remains UNMARKED. Do not file or sign before the missing predicates are resolved.

Ordinary cannabis possession requires actual sentence completion under 10-105(c)(8), with no extra three-year wait. Current completion threshold: [not supplied].

Requested charge 1: Cannabis possession; CR 5-601; guilty; conviction 2018-04-02.

Other-offenses checkbox: not checked because the complete supplied inventory confirms none. Simple cannabis possession under CR 5-601 is excluded from the ordinary unit under 10-107(a), even when another charge cannot be expunged. That exception does not turn PWID under CR 5-602 into possession. This petition does not erase any unrequested non-cannabis charge. Complicated PWID units need the exact other instrument/components, not a blanket unit approval.

Actual sentence completion date: Obtain the actual completion date including applicable supervision; an anticipated date is not completion.

CC-DC-CR-072D page 1: possession of cannabis: This recital is unmarked until the required case facts are resolved.

The defendant signs and dates 072D personally beneath its perjury affirmation only after reviewing every statement. Attorney fields are for an actual attorney and are blank in this self-represented packet. No notarization is required by this form. Do not use another person's signature, manufacture a notarial act or fill a court decision. Optional tracking, email and fax remain blank when not supplied. An overlong known value is disclosed, never clipped or silently abbreviated.

You chose to pay. Maryland Judiciary lists a nonrefundable \$30 filing fee per case for eligible guilty dispositions on 072D, including these cannabis convictions, not \$30 per charge. Confirm the clerk's accepted payment method. No financial waiver application or MDJ-008 is included on this paid branch. Sponsorship does not itself waive a court fee.

File and follow up

SYNTHETIC QA EXAMPLE - DO NOT FILE

File the signed petition with Carroll County (DC), 101 North Court Street, Westminster, MD 21157, telephone 410-871-3500. File in person, by mail, or through applicable MDEC filing. Confirm local copy/payment instructions with the clerk, and retain a complete personal copy. The proper court is ordinarily where the case began; an adult transfer or appeal changes venue under 10-105(b) / 10-110(b). The supplied venue must match the actual docket; do not infer it from your present residence.

The COURT has the petition served on the State's Attorney. The State's Attorney has 30 days after service to object. A timely objection leads to a hearing. You do not manufacture or file a participant service certificate.

A court order is still required. No response, filing receipt or software success proves expungement. Unless stayed on appeal, custodians must report compliance within 60 days of the order; retain each actual certificate and ask the clerk about missing compliance. Keep the complete case record before expungement because copies may later be unavailable.

Stop this initial self-help preparation for a real objection/hearing, disputed restitution or conviction facts, an unresolved mixed unit, or an appeal/transfer whose court is uncertain. A demonstrated inability to pay restitution is not automatically treated as disqualification; the court considers the actual evidence. Preserve documents for an attorney or the Maryland Court Help Center (410-260-1392). Expungement does not necessarily remove privately retained records or resolve federal/immigration disclosure duties. Get immigration advice before destroying or losing access to needed records.

Complete official components: CC-DC-CR-072D. All source pages are present; separate companion pages are instructions, not filed pleadings or substitutes for official documents. No proposed expungement order, fee-waiver grant, court certificate, general release or authentic criminal-history report is fabricated.

Current Judiciary adult-expungement fee page resolves the old internal free/\$30 uncertainty for 072D guilty dispositions.
