

PETITION - FIRST-TIME DRUG POSSESSION CASES

IN THE COURT

(Clerk of the court that granted the conditional discharge - see the filing instructions in this packet)

IN RE: Jordan Avery Reyes,

PETITIONER.

Case number, if the court assigns one at filing:

.....

CONTROLLED-SUBSTANCE CONDITIONAL DISCHARGE AND EXPUNGEMENT (MISS. CODE ANN. Sec. 41-29-150)

The petitioner, Jordan Avery Reyes, applies to this court under Miss. Code Ann. Sec. 41-29-150(d)(1); Miss. Code Ann. Sec. 41-29-150(d)(2); Miss. Code Ann. Sec. 41-29-139(c); Miss. Code Ann. Sec. 41-29-139(d) and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Section 41-29-150 carries Mississippi's controlled-substance conditional discharge and its associated expungement. A first-time eligible drug possession or paraphernalia case may be handled WITHOUT entering a judgment of guilt: the court defers proceedings, places the person on probation, and on successful completion discharges the person and dismisses the proceedings without an adjudication of guilt. Expungement of the record is then available on application to the court. The benefit is once-only, and a nonpublic record is retained for future eligibility checks, which is the same design as the Sec. 99-19-71(3) first-offender retention. Trafficking under Sec. 41-29-139 is a separate offence and is outside this route entirely; it is also independently excluded from felony expungement under Sec. 99-19-71(2)(a)(iii). The complete current text was obtained on this pass, from the last enacted amendment, Laws 2010 ch. 460 Sec. 2. The conditional discharge is Sec. 41-29-150(d)(1) and the expungement remedy is Sec. 41-29-150(d)(2). Eligibility reaches a person NOT previously convicted of violating Sec. 41-29-139, or the laws of the United States or another state relating to narcotic drugs, stimulant or depressant substances, other controlled substances or marihuana, who is found guilty of a violation of Sec. 41-29-139(c) or (d) - simple possession and paraphernalia - after trial or on a plea. The court may, without entering a judgment of guilt and with the person's consent, defer further proceedings and place them on probation for not more than three years; if no condition is violated, on expiry the court SHALL discharge the person and dismiss the proceedings, without adjudication of guilt. Discharge and dismissal may occur ONLY ONCE with respect to any person, and a nonpublic record is retained by the Bureau of Narcotics solely for the courts to determine whether the person qualifies again. Under (d)(2) the person may then APPLY to the court for an expungement order; the court determines the matter AFTER HEARING and, on the requisite findings, SHALL enter the order. Section 41-29-150 specifies no fee.

B. THE PETITIONER

Date of birth: 1991-04-17

RECORDS CHECKLIST - FIRST-TIME DRUG POSSESSION CASES

This records checklist is for Jordan Avery Reyes.

RECORDS CHECKLIST

Gather these records before filing. Ask the clerk which records must be attached to the petition and whether the clerk requires certified copies. This checklist does not replace any record and is not proof that a missing record exists.

- Certified copy of the conditional discharge order. Ask the clerk for a certified copy of the order deferring proceedings and placing you on probation without an adjudication of guilt.
- Certified copy of the order of discharge and dismissal. Ask the clerk for a certified copy of the order discharging you and dismissing the proceedings.
- Proof of successful completion of probation. Obtain the documentation showing you completed probation and every condition.
- Mississippi criminal history record. Obtain your own Mississippi criminal history so you can see every case on your record before you file. It is the only reliable way to check first-offender status or good conduct across all courts, and self-report is not enough.

Keep the originals. File or serve copies only as the clerk directs. If the discharge or dismissal documentation is missing, stop and get help instead of filing.

WHAT THIS SET OF PAPERS IS

Controlled-Substance Conditional Discharge and Expungement (Miss. Code Ann. Sec. 41-29-150).

Section 41-29-150 carries Mississippi's controlled-substance conditional discharge and its associated expungement. A first-time eligible drug possession or paraphernalia case may be handled WITHOUT entering a judgment of guilt: the court defers proceedings, places the person on probation, and on successful completion discharges the person and dismisses the proceedings without an adjudication of guilt. Expungement of the record is then available on application to the court. The benefit is once-only, and a nonpublic record is retained for future eligibility checks, which is the same design as the Sec. 99-19-71(3) first-offender retention. Trafficking under Sec. 41-29-139 is a separate offence and is outside this route entirely; it is also independently excluded from felony expungement under Sec. 99-19-71(2)(a)(iii). The complete current text was obtained on this pass, from the last enacted amendment, Laws 2010 ch. 460 Sec. 2. The conditional discharge is Sec. 41-29-150(d)(1) and the expungement remedy is Sec. 41-29-150(d)(2). Eligibility reaches a person NOT previously convicted of violating Sec. 41-29-139, or the laws of the United States or another state relating to narcotic drugs, stimulant or depressant substances, other controlled substances or marihuana, who is found guilty of a violation of Sec. 41-29-139(c) or (d) - simple possession and paraphernalia - after trial or on a plea. The court may, without entering a judgment of guilt and with the person's consent, defer further proceedings and place them on probation for not more than three years; if no condition is violated, on expiry the court SHALL discharge the person and dismiss the proceedings, without adjudication of guilt. Discharge and dismissal may occur ONLY ONCE with respect to any person, and a nonpublic record is retained by the Bureau of Narcotics solely for the courts to determine whether the person qualifies again. Under (d)(2) the person may then APPLY to the court for an expungement order; the court determines the matter AFTER HEARING and, on the requisite findings, SHALL enter the order. Section 41-29-150 specifies no fee.

WHERE IT GOES

Clerk of the court that granted the conditional discharge

Application to the court that deferred the proceedings and later discharged and dismissed.

Venue: The court that granted the conditional discharge and entered the dismissal.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: No amount is published here. Section 99-19-72's fee reaches petitions under Sec. 99-19-71 and does not reach Sec. 41-29-150 by its terms. The participant confirms with the clerk. Fee waiver as recorded: Not established. The participant asks the clerk.

WHO MUST BE SERVED

Service as recorded: United States mail or hand delivery, evidenced by the certificate of service. Notice as recorded: The prosecuting authority for the court receives a copy. No response or objection period is established.

WHAT THE RECORD SAYS YOU MUST KNOW

- Mississippi has no statewide expungement form and Sec. 99-19-71 prescribes none. The four archived petition and order PDFs are Fourth Circuit Court District models covering Leflore, Sunflower and Washington counties only: every county field reads '(Washington, Sunflower, or Leflore)', the certificate of service hardcodes the Fourth District DA at Greenville, the signature blocks are dated 2020, and the orders carry an APPROVED AS TO FORM block. They are drafting references only. Court, county and prosecuting authority are participant-data fields and are never hardcoded.
- Build the district-variable fields - court, court level, county, cause number, and the prosecuting authority's name and address - as participant data, never hardcoded. Never default to the Greenville address, the three Fourth District counties, or the year 2020.
- Tell the participant that Mississippi has no statewide expungement form, that practice varies by county and by circuit district, that some districts expect the district attorney to approve the order as to form before the judge will sign, and that they should call the clerk of the court where the case was heard before filing to ask whether that court has its own preferred form or additional requirements.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any prior drug disposition of any kind, since the benefit is once-only.
- The discharge or dismissal documentation is missing.
- The charge may have been trafficking or distribution rather than possession.
- A judgment of guilt was entered, which takes the case outside the conditional discharge route.
- The participant is not a US citizen.
- Obtaining the district attorney's approval as to form is the practical gate on the entire Mississippi product and it is a negotiation, not a filing. LegalEase prepares the certificate of service, the cover letter and the notice calendar; it does not seek, obtain or negotiate the prosecutor's approval, and a declining or silent prosecutor is an attorney handoff.

PETITION - CLEARING A FIRST DUI

IN THE COURT

(Circuit clerk of the county of conviction - see the filing instructions in this packet)

IN RE: Jordan Avery Reyes,
PETITIONER.

Case number, if the court assigns one at filing:

.....

FIRST-OFFENSE DUI EXPUNGEMENT (MISS. CODE ANN. Sec. 63-11-30)

The petitioner, Jordan Avery Reyes, applies to this court under Miss. Code Ann. Sec. 63-11-30(13); Miss. Code Ann. Sec. 63-11-30(2)(c); Miss. Code Ann. Sec. 63-11-30(2)(d); Miss. Att'y Gen. Op. (Booker, 29 Sept. 2020) and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Section 63-11-30 carries its own first-offence DUI expungement provision, entirely separate from the ordinary misdemeanour route, and a DUI must never be routed through Sec. 99-19-71(1). Every condition must be met: at least five years after successful completion of all terms and conditions of the sentence; the person did not hold a commercial driver's licence or a commercial learner's permit at the time of the offence; the person did not refuse the blood or breath test; blood alcohol concentration below .16 where test results are available; no other DUI conviction and no pending DUI; the person has not previously had a DUI nonadjudication or a DUI expungement; and the person must justify the expungement to the court. Relief is discretionary. Venue is the CIRCUIT COURT of the county of conviction: the Attorney General has opined that a municipal court judge is not authorized to expunge a DUI conviction, although municipal and justice courts may handle expungement of nonadjudicated first-offence DUI charges in certain circumstances. That is the most likely way a Mississippi DUI petition gets filed in the wrong court. A third, fourth or subsequent DUI under Sec. 63-11-30(2)(c) and (2)(d) is separately excluded from felony expungement under Sec. 99-19-71(2)(a)(iv). The complete current text was obtained on this pass from enrolled SB 2095 (Laws 2022 ch. 303), the last enacted amendment: the expungement provision is subsection (13), captioned 'Expunction'. It is frequently cited in practice as Sec. 63-11-30(14); per the 2022 enrolled act (13) is Expunction and (14) is Nonadjudication. Subsection (13)(b) additionally makes a person eligible for only ONE expunction under the subsection and directs the Department of Public Safety to maintain a permanent confidential registry of all such expunctions solely to determine eligibility for expunction, for nonadjudication, or as a first offender. Subsection (13)(c) requires the court to state in writing the justification for which the expunction was granted and to forward the order to the Department of Public Safety within five days.

RECORDS CHECKLIST - CLEARING A FIRST DUI

This records checklist is for Jordan Avery Reyes.

RECORDS CHECKLIST

Gather these records before filing. Ask the circuit clerk which records must be attached to the petition and whether the clerk requires certified copies. This checklist does not replace any record and is not proof that a missing record exists.

- Certified copy of the DUI judgment of conviction. Ask the clerk of the court that entered the DUI conviction for a certified copy of the judgment.

- Blood or breath test result, or documentation that no test was refused. Obtain the test result. The statute conditions relief on not having refused the test and, where results are available, on a concentration below .16, so this document is central rather than optional.

- Certified driving record. Obtain your certified driving record. It establishes whether any other DUI appears and whether you held a commercial licence.

- Account balance sheet from the clerk showing a zero balance. Ask the clerk for an account balance sheet showing that all fines, costs and restitution are paid in full. Mississippi courts commonly require a zero balance in practice even where the subsection does not say so, and on the felony track payment of all criminal fines and costs of court is a statutory condition.

Keep the originals. File or serve copies only as the circuit clerk directs. Every DUI packet requires attorney review before filing and a post-generation handoff.

Subsection (13)(c) requires the court to state in writing the justification for which the expunction was granted and to forward the order to the Department of Public Safety within five days.

WHERE IT GOES

Circuit clerk of the county of conviction

File in the circuit court of the county of conviction even where the DUI conviction itself was entered in a municipal or justice court.

Venue: The circuit court of the county of conviction. This is a venue trap: a municipal court judge is not authorized to expunge a DUI conviction, per the Attorney General.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: No amount is published here. Section 99-19-72's fee reaches petitions under Sec. 99-19-71 and does not reach Sec. 63-11-30 by its terms. The participant confirms with the circuit clerk.

Fee waiver as recorded: Not established. The participant asks the clerk.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Every DUI. All DUI packets carry mandatory attorney review before filing and a post-generation handoff.
- Any doubt about which court to file in, given that the petition goes to circuit court rather than the convicting court.
- Any refusal of the test, any test result at or above .16, or any missing test documentation.
- Any commercial driver's licence or commercial learner's permit at the time of the offence.
- Any other DUI conviction, pending DUI, or prior DUI nonadjudication or expungement.

PETITION - UNDERAGE DRINKING CHARGES

IN RE: Jordan Avery Reyes,

PETITIONER.

Case number, if the court assigns one at filing:

UNDERAGE ALCOHOL POSSESSION EXPUNGEMENT (MISS. CODE ANN. Sec. 67-3-70)

The petitioner, Jordan Avery Reyes, applies to this court under Miss. Code Ann. Sec. 67-3-70(6); Miss. Code Ann. Sec. 67-3-70(1); Miss. Code Ann. Sec. 67-3-70(2) and states:

A. THE RELIEF THIS PETITION ASKS FOR, AS THE COMMITTED RECORD STATES IT

Section 67-3-70 governs underage alcohol offences and carries its own expungement provision at subsection (6). The complete current text was obtained on this pass from enrolled HB 917 Sec. 34 (Laws 2020 ch. 314), the last enacted amendment, so the one-year period is now supported by PRIMARY authority rather than by the secondary clearinghouse source the review relied on. Subsection (6) reads: 'Any person who has been charged with a violation of subsections (1) or (2) of this section may, not sooner than one (1) year after the dismissal and discharge or completion of any sentence and/or payment of any fine, apply to the court for an order to expunge from all official records all recordation relating to his arrest, trial, finding or plea of guilty, and dismissal and discharge. If the court determines that such person was dismissed and the proceedings against him discharged or that such person had satisfactorily served his sentence and/or paid his fine, it shall enter such order.' Four consequences follow. The route reaches subsections (1) and (2) only - underage purchase or possession of light wine, light spirit product or beer, and an underage false-age statement or false document - and does not reach subsection (3), furnishing to a minor. It reaches anyone 'CHARGED WITH' such a violation, so dismissed and discharged cases qualify as well as convictions. The one-year clock runs from the LATER of dismissal and discharge, or completion of any sentence and payment of any fine, not from the offence or the charge. And relief is MANDATORY on the findings - 'it shall enter such order' - unlike the discretionary lower-court misdemeanour route. The section prescribes no petition contents, no prosecutor notice, no open-court showing, no rehabilitation finding, no hearing and no fee, and it contains no restoration-of-status clause, no perjury-protection clause and no Title 63 carve-out.

RECORDS CHECKLIST - UNDERAGE DRINKING CHARGES

This records checklist is for Jordan Avery Reyes.

RECORDS CHECKLIST

Gather these records before filing. Ask the clerk which records must be attached to the petition and whether the clerk requires certified copies. This checklist does not replace any record and is not proof that a missing record exists.

- Certified copy of the disposition or judgment. Ask the clerk for a certified copy of the order showing how the case ended.

- Account balance sheet showing a zero balance. Ask the clerk for confirmation that any fine and costs are paid in full.

Keep the originals. File or serve copies only as the clerk directs. Before filing, confirm the current waiting period, the correct court and any fee with the clerk.

WHAT THIS SET OF PAPERS IS

Underage Alcohol Possession Expungement (Miss. Code Ann. Sec. 67-3-70).

Section 67-3-70 governs underage alcohol offences and carries its own expungement provision at subsection (6). The complete current text was obtained on this pass from enrolled HB 917 Sec. 34 (Laws 2020 ch. 314), the last enacted amendment, so the one-year period is now supported by PRIMARY authority rather than by the secondary clearinghouse source the review relied on. Subsection (6) reads: 'Any person who has been charged with a violation of subsections (1) or (2) of this section may, not sooner than one (1) year after the dismissal and discharge or completion of any sentence and/or payment of any fine, apply to the court for an order to expunge from all official records all recordation relating to his arrest, trial, finding or plea of guilty, and dismissal and discharge. If the court determines that such person was dismissed and the proceedings against him discharged or that such person had satisfactorily served his sentence and/or paid his fine, it shall enter such order.' Four consequences follow. The route reaches subsections (1) and (2) only - underage purchase or possession of light wine, light spirit product or beer, and an underage false-age statement or false document - and does not reach subsection (3), furnishing to a minor. It reaches anyone 'CHARGED WITH' such a violation, so dismissed and discharged cases qualify as well as convictions. The one-year clock runs from the LATER of dismissal and discharge, or completion of any sentence and payment of any fine, not from the offence or the charge. And relief is MANDATORY on the findings - 'it shall enter such order' - unlike the discretionary lower-court misdemeanour route. The section prescribes no petition contents, no prosecutor notice, no open-court showing, no rehabilitation finding, no hearing and no fee, and it contains no restoration-of-status clause, no perjury-protection clause and no Title 63 carve-out.

WHERE IT GOES

Clerk of the court that disposed of the charge

File with the clerk of the court that handled the underage alcohol case, after confirming with that clerk the current waiting period, venue and fee.

Venue: The court in which the underage alcohol charge was disposed of. Section 67-3-70(6) says simply 'apply to the court', with no circuit-court transfer and no county-specific provision, so the charging or convicting court is the destination.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: No amount is published here. Section 99-19-72's fee reaches petitions under Sec. 99-19-71 and does not reach Sec. 67-3-70 by its terms. The participant confirms with the clerk. Fee waiver as recorded: Not established. The participant asks the clerk.

WHO MUST BE SERVED

Service as recorded: United States mail or hand delivery, evidenced by the certificate of service. Notice as recorded: The prosecuting authority for the court receives a copy. No response or objection period is established.

WHAT THE RECORD SAYS YOU MUST KNOW

Route: obligation:track-pathway:MS:ms-mip:minor-in-possession-underage-alcohol-expungement

- Mississippi has no statewide expungement form and Sec. 99-19-71 prescribes none. The four archived petition and order PDFs are Fourth Circuit Court District models covering Leflore, Sunflower and Washington counties only: every county field reads '(Washington, Sunflower, or Leflore)', the certificate of service hardcodes the Fourth District DA at Greenville, the signature blocks are dated 2020, and the orders carry an APPROVED AS TO FORM block. They are drafting references only. Court, county and prosecuting authority are participant-data fields and are never hardcoded.
- Build the district-variable fields - court, court level, county, cause number, and the prosecuting authority's name and address - as participant data, never hardcoded. Never default to the Greenville address, the three Fourth District counties, or the year 2020.
- Tell the participant that Mississippi has no statewide expungement form, that practice varies by county and by circuit district, that some districts expect the district attorney to approve the order as to form before the judge will sign, and that they should call the clerk of the court where the case was heard before filing to ask whether that court has its own preferred form or additional requirements.
- The one-year waiting period is retained ONLY because Sec. 67-3-70(6) was read from primary authority on this pass - enrolled HB 917 Sec. 34, Laws 2020 ch. 314 - and not because a secondary clearinghouse source reported it. The clock runs from the later of dismissal and discharge or completion of any sentence and payment of any fine.
- Relief is mandatory on the statutory findings - 'it shall enter such order' - unlike the discretionary lower-court misdemeanor route. Section 67-3-70 contains no restoration-of-status clause, no perjury-protection clause and no Title 63 carve-out, so participant-facing copy must not import those effects from Sec. 99-19-71.
- Instruct the participant to confirm the current waiting period, the correct court and any fee with the clerk before filing.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- The clerk cannot confirm the current waiting period or the correct court.
- The charge may be something other than underage purchase or possession of light wine, light spirit product or beer.
- The case involved a DUI, which routes to the DUI track.
- The participant is not a US citizen.
- Obtaining the district attorney's approval as to form is the practical gate on the entire Mississippi product and it is a negotiation, not a filing. LegalEase prepares the certificate of service, the cover letter and the notice calendar; it does not seek, obtain or negotiate the prosecutor's approval, and a declining or silent prosecutor is an attorney handoff.
