FILING INSTRUCTIONS

This packet is prepared for expunging a Mississippi misdemeanor arrest or citation that was never formally charged or prosecuted within twelve months, under Miss. Code Ann. Sec. 99-15-59.

Prepared for: Jordan Avery Reyes

THE ONE BRANCH THIS PACKET IS FOR

A misdemeanor arrest or citation that was NEVER formally charged or prosecuted, where twelve months have passed since the arrest or citation date and nothing is pending. The recorded rule: the twelve-month clock applies to the no-charge branch only. If your charge was filed and then dismissed, stop - that is the dismissal branch of Sec. 99-15-59, and its instrument is not in this packet.

WHAT YOU DO, IN ORDER

STEP ONE. Confirm the branch: misdemeanor only; no formal charge and no prosecution during the twelve months; nothing pending.

STEP TWO. Get your arrest record for the matter from the arresting or citing agency, or from the court with jurisdiction. It is a named component of this packet and is filed with the petition.

STEP THREE. Fill in every dotted blank from the arrest record. Do not guess a date, an offense wording or an agency name.

STEP FOUR. Sign and date the petition yourself.

STEP FIVE. File the petition, the arrest record and the unsigned proposed order with the court with jurisdiction over the matter. Ask that court's office whether a filing fee applies and how it accepts filings - no committed record this packet is built from states either.

WHO MUST BE SERVED

No committed record this packet is built from establishes a service rule for this branch. The route contract carries no service term at all, and no packet-set manifest exists for this family. **THAT IS NOT A FINDING THAT NO SERVICE IS REQUIRED** - it is the absence of a record, and this packet does not turn one into the other.

The one notice rule the compiled Mississippi profile does carry - that the petitioner must give ten days' written notice to the district attorney before any hearing - is recorded against Sec. 99-19-71, not against Sec. 99-15-59, so this packet does not read it across to this branch and you should not assume it applies here.

Ask the office of the court with jurisdiction over the matter whether a copy must go to anyone, and to whom and how, at the same time you ask it about the fee and the filing method. Ask before you file.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

Stop, and take this packet to a lawyer or a legal-aid office, if any of these is true:

- the matter was anything other than a misdemeanor;
- a formal charge was filed, or any prosecution activity happened, during the twelve months;
- the charge was filed and then dismissed - that is the dismissal branch, a different instrument;
- anything arising from the matter is pending;
- there are related counts and you are unsure how they are treated;
- any immigration question is involved.

WHAT THIS PACKET IS NOT

This is a prepared set of composed pleadings. It is not an official Mississippi form - no committed record names one for this branch - and it is not legal advice, it is not filed for you, and it does not decide whether the court will grant expungement.
