

REQUEST TO THE SUPERVISING OR DETAINING AUTHORITY - ASK FOR THE CERTIFICATE THAT COMPLETES YOUR EXPUNGEMENT

TO: The detaining or probationary authority that supervised the participant, with the clerk of circuit court as the certificate's destination

.....

(Write that office's name and address on the line above. The committed record for this route reads "Not a court filing. Send the written request to the supervising or detaining authority." This page is a letter to that office. It is not filed with any court, no court assigns it a case number, and it asks no court for anything.)

PARTICIPANT REQUEST THAT THE SUPERVISING OR DETAINING AUTHORITY ISSUE AND FORWARD THE CERTIFICATE OF DISCHARGE (WIS. STAT. Sec. 973.015(1M)(B))

I am writing to the office named above under Wis. Stat. Sec. 973.015(1m); Wis. Stat. Sec. 973.015(1m)(b), and I state:

A. WHAT THIS REQUEST ASKS FOR, AS THE COMMITTED RECORD STATES IT

Section 973.015(1m)(b) makes issuance mandatory rather than discretionary: upon successful completion of the sentence the detaining or probationary authority SHALL issue a certificate of discharge, which shall be forwarded to the court of record and which shall have the effect of expunging the record. The triggering event is successful completion - no subsequent conviction and, where the person was on probation, no revocation and satisfied conditions. Where that mandatory certificate was not issued, or was issued but never forwarded to the clerk, the participant may write to the supervising or detaining authority asking that it be issued and forwarded. No statute or rule prescribes the contents of that request and Wisconsin publishes no official participant form for it, so the correspondence is drafted. The letter supports implementation of an expungement the court already ordered; it does not itself change legal status, and the certificate remains the authority's document.

B. WHO IS ASKING - THE THREE THINGS THE PLATFORM ALREADY HOLDS

The committed record requires a full legal name, a date of birth and return contact details before this request can be generated. The platform holds all three from your own record and has printed them here, so none of them is a blank you have to fill. Read each one against your own papers and correct it in writing if it is wrong.

Full legal name: Jordan Avery Reyes

(If the case was under any other name, write that name beside this line.)

Date of birth: 1991-04-17

C. THE FACTS OF THIS MATTER, WHICH YOU SUPPLY FROM THE RECORD

Each item below is printed in the words the committed record uses for it. Fill each one from the record itself.

[C1 - case number and county] What is the case number, and which Wisconsin county was the case in?

.....
.....

[C2 - supervision identifier] What is your Department of Corrections or offender identification number, if you have one?

(Asked where the sentence included probation or confinement, because it is how the supervising authority locates the file.)

.....
.....

[C3 - supervising authority] Which agency supervised your probation, or which facility held you?

.....
.....

[C4 - supervising agent name] Do you know the name of your probation agent or the office that supervised you?

(Asked where the sentence included probation; it helps the authority route the request.)

.....
.....

[C5 - sentence completion date] On what date did you finish your sentence, including any probation?

.....
.....

[C6 - expungement ordered at sentencing] Did the judge order at your sentencing that the record would be expunged once you completed your sentence?

.....
.....

[C7 - court office confirmation that the certificate was not received] Have you asked the clerk of court whether they received a certificate of discharge, and what did they say?

.....
.....

[C8 - request type] Do you want to ask the authority to issue and forward the certificate, or only to tell you whether it has already been done?

.....
.....

D. THE REQUEST

I ask the office named above to issue the certificate of discharge under Wis. Stat. Sec. 973.015(1m)(b) and to forward it to the clerk of the circuit court of the county where the case was heard, and to confirm to me when that has been done. This request asks nothing of any court.

FILING INSTRUCTIONS - ASK FOR THE CERTIFICATE THAT COMPLETES YOUR EXPUNGEMENT

This page is for Jordan Avery Reyes.

WHAT THIS SET OF PAPERS IS

Participant Request that the Supervising or Detaining Authority Issue and Forward the Certificate of Discharge (Wis. Stat. Sec. 973.015(1m)(b)).

Section 973.015(1m)(b) makes issuance mandatory rather than discretionary: upon successful completion of the sentence the detaining or probationary authority SHALL issue a certificate of discharge, which shall be forwarded to the court of record and which shall have the effect of expunging the record. The triggering event is successful completion - no subsequent conviction and, where the person was on probation, no revocation and satisfied conditions. Where that mandatory certificate was not issued, or was issued but never forwarded to the clerk, the participant may write to the supervising or detaining authority asking that it be issued and forwarded. No statute or rule prescribes the contents of that request and Wisconsin publishes no official participant form for it, so the correspondence is drafted. The letter supports implementation of an expungement the court already ordered; it does not itself change legal status, and the certificate remains the authority's document.

WHERE IT GOES

The detaining or probationary authority that supervised the participant, with the clerk of circuit court as the certificate's destination

The letter goes to the supervising or detaining authority, because Sec. 973.015(1m)(b) places the issuing and forwarding duty on it. It asks that the certificate of discharge be issued and forwarded to the clerk of the circuit court of conviction, and asks the authority to confirm when that has been done. A copy to the clerk of circuit court is appropriate where the participant has already confirmed with the clerk that nothing was received.

Venue: Not a court filing. The request is addressed to the supervising or detaining authority for the participant's own case, which is statewide in scope: the Department of Corrections in most probation cases, or the detaining authority where the sentence included confinement.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: none Fee waiver as recorded: none

WHO MUST BE SERVED

Service as recorded: none. Ordinary mail or the authority's stated correspondence channel is sufficient; there is no service requirement. Notice as recorded: none. No notice to any other party is required, and no hearing arises from the request.

WHAT THE RECORD SAYS YOU MUST KNOW

- Confirm with the clerk of circuit court that no certificate of discharge was received before sending the request, and re-check Wisconsin Circuit Court Access afterwards to see whether the record left public access.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- The judge did not order expungement at sentencing. There is no certificate owed and the request would be pointless.
- Any dispute about whether completion was successful, particularly a revocation or a subsequent conviction, because those are the two facts that destroy the expungement entirely.
- The supervising authority declines to issue the certificate, or asserts that completion was not successful.
- The authority does not respond, or responds that it has issued and forwarded the certificate while the clerk says nothing was received.
- Any request to argue entitlement, allege agency fault or press the authority beyond a neutral request. That is individualized advocacy and outside self-help.
- Immigration consequences.
- Federal, tribal or out-of-state records.
- Neutral request only. Do not draft accusations of agency misconduct, assertions of legal entitlement that would require document review, or any individualized advocacy. Where the authority declines or disputes completion, refer to a lawyer.
- After the participant sends the request, issuance and forwarding are the supervising authority's acts and the sealing follows from the certificate reaching the clerk. The packet ends at the letter and the follow-up checklist.
