This route-specific Petition asks the sentencing court to vacate the qualifying conviction identified below under RCW 9.96.060(6). The court must verify every statutory fact before entering an order.

This Petition is paired with a participant declaration, a notice and proposed order, and program documentation. The packet does not decide eligibility for the court.

DATE SIGNATURE OF PETITIONER

For the assessment path, the assessment must be from one of these statutory programs: a recovery navigator program under RCW 71.24.115, an arrest and jail alternative program under RCW 36.28A.450, or a law enforcement assisted diversion program under RCW 71.24.589. Obtain a written status update establishing at least six months of substantial compliance with recommended treatment or services and progress toward recovery goals. If the qualifying program identity cannot be verified, stop and obtain legal help.

RCW 9.96.060(2)(a)-(i) does not itself bar an otherwise qualifying subsection (6) application. Pending or new cases, violence, weapons or enhancements, DUI, and firearm-rights questions still require individualized legal advice about separate consequences or other routes; do not treat them as automatic subsection (6) ineligibility. This packet does not restore firearm rights or decide eligibility under a different route.

PROGRAM EVIDENCE CHECKLIST FOR RCW 9.96.060(6)

PROGRAM EVIDENCE CHECKLIST AND RECORDS REQUEST

This checklist is for Maria-Alejandra O'Shaughnessy-Whitfield.

The checklist organizes records; it does not create program proof and does not decide eligibility.

SELECT ONE EVIDENCE PATH

PATH 1 - COMPLETION PROOF

Attach a substance use disorder program completion record, such as a completion certificate, completion letter, discharge record, or equivalent status record from the provider.

PATH 2 - ASSESSMENT AND STATUS

Attach a qualifying program assessment plus a written status update showing at least six months of substantial compliance with recommended treatment or services and progress toward recovery goals.

PROGRAM RECORD DETAILS

Program name and provider:

.....

Completion or assessment date:

.....

For Path 2, the six-month compliance and recovery-progress record:

.....

List each attached record and the fact it supports:

.....

REQUIRED ASSESSMENT PROGRAM ALTERNATIVES

For the assessment path, the record must identify one of these programs. Preserve its exact name and provider: recovery navigator under RCW 71.24.115; arrest and jail alternative under RCW 36.28A.450; or law enforcement assisted diversion under RCW 71.24.589.

Do not assume a program qualifies from its label alone. Stop when the provider, assessment, completion, or six-month status cannot be verified.

ATTACHMENT CHECK

- ☐ The exact conviction record is included or available to the sentencing court.
- ☐ The selected evidence path is identified truthfully.
- ☐ Each attached program record is legible and attributable to its provider.
- ☐ The assessment path includes written status for at least six months.
- ☐ No document has been altered or completed by this packet.

For the assessment path, the assessment must be from one of these statutory programs: a recovery navigator program under RCW 71.24.115, an arrest and jail alternative program under RCW 36.28A.450, or a law enforcement assisted diversion program under RCW 71.24.589. Obtain a written status update establishing at least six months of substantial compliance with recommended treatment or services and progress toward recovery goals. If the qualifying program identity cannot be verified, stop and obtain legal help.

FILING AND SERVICE INSTRUCTIONS FOR RCW 9.96.060(6)

FILING AND SERVICE INSTRUCTIONS

These instructions are for Maria-Alejandra O'Shaughnessy-Whitfield.

ROUTE

This is a route-specific petition and declaration under RCW 9.96.060(6). The packet is built for a qualifying Washington drug conviction after the required treatment or recovery-program evidence is assembled.

BEFORE YOU FILE

1. Copy the exact sentencing court, cause number, conviction identity, statute, and date from the court record into every requested blank.
2. Confirm that the exact conviction statute is one of the listed categories: RCW 69.50.4011(1)(b) or (c), RCW 69.50.4013, RCW 69.50.4014, or RCW 69.41.030(2)(b) or (c).
3. Check pending charges, new convictions, other counts, related matters, and any fact that could change the route. Do not guess.
4. Choose one evidence path: qualifying completion proof; OR qualifying assessment plus written status showing at least six months of substantial compliance with recommended treatment or services and progress toward recovery goals.
5. Attach the exact program records and complete the evidence checklist. The packet never creates, edits, or substitutes program proof.
6. Complete the notice and use the sentencing court's current procedure for serving the State or prosecutor.
7. Ask the sentencing-court clerk whether a filing fee applies, its amount, and whether a waiver is available. This packet does not invent a fee or waiver rule.
8. Review local court filing, service, redaction, and hearing instructions before submission. Keep copies of what was filed and served.
9. Sign and date the Petition and participant declaration personally after reviewing every fact.

WHEN TO STOP AND GET HELP

Stop and get legal help if the exact conviction, statute, court, cause number, pending/new status, other counts, or eligibility facts are uncertain.

Stop if neither evidence path is available, if the six-month status cannot be established for the assessment path, or if program records cannot be verified.

Stop if filing, service, safety, immigration, sealing, or related-case consequences require advice beyond these instructions.

WHAT THIS PACKET DOES NOT ESTABLISH

It does not establish eligibility, create a court order, prove program completion or status, determine a fee,

or promise what another record system will display. Only the sentencing court can decide the Petition.

For the assessment path, the assessment must be from one of these statutory programs: a recovery navigator program under RCW 71.24.115, an arrest and jail alternative program under RCW 36.28A.450, or a law enforcement assisted diversion program under RCW 71.24.589. Obtain a written status update establishing at least six months of substantial compliance with recommended treatment or services and progress toward recovery goals. If the qualifying program identity cannot be verified, stop and obtain legal help.

RCW 9.96.060(2)(a)-(i) does not itself bar an otherwise qualifying subsection (6) application. Pending or new cases, violence, weapons or enhancements, DUI, and firearm-rights questions still require individualized legal advice about separate consequences or other routes; do not treat them as automatic subsection (6) ineligibility. This packet does not restore firearm rights or decide eligibility under a different route.
