RECORDS CHECKLIST

Prepared for: Jordan Avery Reyes

Every item below comes from this packet's own record of what the filing needs. Tick each one when you actually have it in your hand. LegalEase does not see, hold or assess any of these documents.

1. ☐ Obtain Documentation of compliance with an approved substance abuse treatment or recovery and counselling programme. Ask the programme provider for written documentation of your compliance, covering the dates you were in the programme, and ask them to confirm in writing that the programme is approved by the Secretary of the Department of Health. Section 61-11-26a(b)(1) requires this to be included in the petition.

Where to get it: The treatment or recovery programme provider, which must be approved by the Secretary of the Department of Health

When it applies: Only where the participant relies on treatment or recovery compliance under Sec. 61-11-26a(a).

2. ☐ Obtain Certificate of graduation from an approved job readiness adult training course. Ask the course provider for your certificate of graduation and for written confirmation that the course is approved by the West Virginia Department of Education. Section 61-11-26a(b)(2) requires the certificate to be included in the petition.

Where to get it: The course provider, under a West Virginia Department of Education approved course

When it applies: Only where the participant relies on job readiness graduation under Sec. 61-11-26a(a).

3. ☐ Obtain Medical documentation of a history of substance abuse. Ask your treating clinician or the treatment provider for records documenting the history of substance abuse. LegalEase does not see, hold or assess these records; you attach them to the petition yourself.

Where to get it: The treating clinician, treatment provider or medical records department

When it applies: Only on the treatment branch, where Sec. 61-11-26a(a)(1) requires a medically documented history of substance abuse alongside compliance.

4. ☐ Obtain Certified disposition, judgment order and sentencing order for every conviction. Ask the clerk of the county of conviction for certified copies for each case, and check the dates against the answers you gave us.

Where to get it: Circuit or magistrate clerk of the county of conviction

Then check your own answers against those documents:

☐ Check your answer to "Over what dates were you in compliance with that programme?" against Documentation of compliance with an approved substance abuse treatment or recovery and counselling programme, and correct the packet if they disagree.

☐ Check your answer to "What is the name of the job readiness adult training course you graduated from, and on what date did you graduate?" against Certificate of graduation from an approved job readiness adult training course, and correct the packet if they disagree.

☐ Check your answer to "Do you have a medically documented history of substance abuse?" against

Medical documentation of a history of substance abuse, and correct the packet if they disagree.

☐ Check your answer to "List each conviction you want cleared: the offence, the Code section, the county, the court, the case number and the date of conviction." against Certified disposition, judgment order and sentencing order for every conviction, and correct the packet if they disagree.

And complete these by hand before filing:

☐ Rehabilitation statement - SCA-C906 page 2 item 1, or SCA-C907 page 2 item 1.

☐ The characterisation of a felony as nonviolent - SCA-C907, page 1, eligibility recitals, where the felony branch is used.

☐ Petitioner's signature, verification signature, date and notarial block - Petition signature block and verification page of whichever official form is used.

☐ Recipient street addresses, delivery-method election, certificate of service date and signature - Certificate of service page of whichever official form is used.

☐ Circuit court case number - Caption block of whichever official form is used.

If any document above disagrees with what you told us, the document is right and the packet is wrong. Correct the packet before you sign anything.

FILING INSTRUCTIONS

Prepared for: Jordan Avery Reyes

WHICH PETITION YOU FILE. This packet contains two official petitions and you file exactly one.

SCA-C906: Used where the convictions to be expunged are misdemeanours or traffic citations, whether one or several.

SCA-C907: Used instead where the conviction to be expunged is a nonviolent felony under Sec. 61-11-26a(a)(3).

The packet does not choose between them. Whether a felony is a nonviolent felony is a legal characterisation of your own record, and the packet record names it a manual completion item. File the one that fits and leave the other out.

WHERE IT GOES.

"The circuit court or circuit courts in which the conviction or convictions occurred, Sec. 61-11-26a(a)."

WHAT IT COSTS.

"The \$100 State Police processing fee otherwise required by Sec. 61-11-26(n) is waived on a Sec. 61-11-26a petition."

"The circuit clerk charges the Sec. 59-1-11(a)(1) civil-action fee, which the official text sets at \$200."

"The \$100 State Police processing fee is waived by Sec. 61-11-26a(c). The \$200 circuit clerk civil filing fee is not waived by the section."

SIGNING AND SWEARING.

"The petitioner signs the petition and the supplemental pleading, swears the verification before a notary public or other official, and signs and dates the certificate of service."

Notarisation: "Required on the verification page of whichever official petition is used."

SERVICE.

"The petitioner serves the five Sec. 61-11-26(e) recipients. The prosecuting attorney serves identified victims."

The certificate of service page of whichever petition you file lists the recipients the form itself names, and you write each address. Complete and sign that page on the day you actually serve, not before.

FILING.

"File the verified official petition - SCA-C906 for misdemeanours and traffic citations, SCA-C907 for a nonviolent felony - with the Sec. 61-11-26a supplemental pleading, the verification notarised and the certificate of service completed, with the clerk of the circuit court of the county of conviction, once the applicable accelerated period has run."

IF IT IS OPPOSED.

"If a victim or the prosecuting attorney files a notice of opposition, or the court sets the matter for hearing, automated assistance ends and the participant needs a lawyer. The initial packet still generates."

WHAT THIS PACKET IS NOT. It is a prepared copy of official West Virginia forms with a supplemental pleading. It is not legal advice, it is not filed for you, and it does not decide whether your record can be expunged. A circuit judge decides that.
