FILING INSTRUCTIONS - ASK A NORTH DAKOTA COURT TO SEAL A FELONY CONVICTION

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition to Seal a Felony Conviction (N.D.C.C. Sec. 12-60.1-02(1)(b)).

A person who pled guilty to or was found guilty of a felony may petition to seal the record if they have not been convicted of a new crime for at least five years before filing. The chapter bars a felony offence involving violence or intimidation during the period in which the offender is ineligible to possess a firearm under N.D.C.C. Sec. 62.1-02-01(1)(a), which is ten years from the latest of conviction, release from incarceration, release from parole or release from probation, for offences in chapters 12.1-16 through 12.1-25.

WHERE IT GOES

Clerk of Court of the existing criminal case

Filed in the criminal case itself. The respondent is the prosecuting attorney: the office of the prosecuting official for the municipality in a municipal case, or the office of the State's Attorney for the county in a district court case. The petitioner serves the prosecuting attorney under N.D.C.C. Sec. 12-60.1-03(4), which routes through N.D.R.Crim.P. 49 to N.D.R.Civ.P. 5(b).

Venue: The existing criminal case for the offence, under N.D.C.C. Sec. 12-60.1-03(1). There is no separate civil action. District court or municipal court, whichever holds the case.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: Not established. The statewide court fee schedule effective 1 July 2025 carries no line item for a Chapter 12-60.1 petition or for a motion within an existing criminal case, and the official research guide directs the participant to ask the clerk what the fee is, if any. Fee waiver as recorded: Not established for this petition. N.D.C.C. Sec. 12-60.1-04(6) expressly makes a municipal-to-district-court appeal fee-free, which implies a fee may attach at first instance.

WHO MUST BE SERVED

Service as recorded: On the prosecuting attorney, under N.D.C.C. Sec. 12-60.1-03(4) through N.D.R.Crim.P. 49 and N.D.R.Civ.P. 5(b). The participant serves and files proof. Notice as recorded: The prosecutor must, so far as practicable, notify and seek input from law enforcement, witnesses, victims and correctional authorities under N.D.C.C. Sec. 12-60.1-04(4).

WHAT THE RECORD SAYS YOU MUST KNOW

- Sealing under Chapter 12-60.1 does not reach BCI criminal history record information or the criminal justice data system, and it does not reach federal, tribal, military, out-of-state or private-database records. The order also states that the petitioner remains subject to N.D.C.C. Sec. 12.1-33-02.1 and that the information is released where an entity has a statutory obligation to run a background check.
- The proposed order is filed with the petition, not after it. N.D.C.C. Sec. 12-60.1-03(3) makes it mandatory and a petition without one is incomplete.
- Service on the prosecuting attorney precedes filing, and proof of service is filed with the petition.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any offence for which registration was ordered under N.D.C.C. Sec. 12.1-32-15, which the chapter excludes.
- Any impaired-driving offence, which the official guides route to the separate Sec. 39-08-01.6 seal.
- Unpaid restitution, or imprisonment or probation not yet complete.
- A new conviction inside the look-back period.
- Pending charges anywhere.
- Any objection from the prosecutor, a victim, a witness or a correctional authority.
- Out-of-state, federal, tribal or military records, which a North Dakota court cannot reach.
- Any case where the reformation or good-cause showing is the real contest.
- Any participant with immigration exposure.
- A participant whose actual goal is firearm-rights restoration.
- Every felony petition, which the controlling review makes an attorney handoff.
- Any question whether the offence involved violence or intimidation.
- Any firearm-disability computation.
- A prosecutor objection, a victim objection, or any contest over reformation ends automated assistance.
- No hearing may be held earlier than 45 days after filing unless the prosecutor stipulates. The petitioner attends and carries a clear-and-convincing burden. Attendance at that hearing is not a generation blocker; losing it is where self-help ends.

FILING INSTRUCTIONS - ASK A NORTH DAKOTA COURT TO SEAL A MISDEMEANOR CONVICTION

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition to Seal a Misdemeanor Conviction (N.D.C.C. Sec. 12-60.1-02(1)(a)).

A person who pled guilty to or was found guilty of a misdemeanor may petition to seal the record if they have not been convicted of a new crime for at least three years before filing the petition. Sealing prohibits disclosure of the existence or contents of court and prosecution records except by court order. The three years are a look-back from filing, not a wait measured from sentence completion; completion of imprisonment and probation and payment of restitution are separate findings the court must make under Sec. 12-60.1-04(1)(c) and (d).

WHERE IT GOES

Clerk of Court of the existing criminal case

Filed in the criminal case itself. The respondent is the prosecuting attorney: the office of the prosecuting official for the municipality in a municipal case, or the office of the State's Attorney for the county in a district court case. The petitioner serves the prosecuting attorney under N.D.C.C. Sec. 12-60.1-03(4), which routes through N.D.R.Crim.P. 49 to N.D.R.Civ.P. 5(b).

Venue: The existing criminal case for the offence, under N.D.C.C. Sec. 12-60.1-03(1). There is no separate civil action. District court or municipal court, whichever holds the case.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: Not established. The statewide court fee schedule effective 1 July 2025 carries no line item for a Chapter 12-60.1 petition or for a motion within an existing criminal case, and the official research guide directs the participant to ask the clerk what the fee is, if any. Fee waiver as recorded: Not established for this petition. N.D.C.C. Sec. 12-60.1-04(6) expressly makes a municipal-to-district-court appeal fee-free, which implies a fee may attach at first instance.

WHO MUST BE SERVED

Service as recorded: On the prosecuting attorney, under N.D.C.C. Sec. 12-60.1-03(4) through N.D.R.Crim.P. 49 and N.D.R.Civ.P. 5(b). The participant serves and files proof. Notice as recorded: The prosecutor must, so far as practicable, notify and seek input from law enforcement, witnesses, victims and correctional authorities under N.D.C.C. Sec. 12-60.1-04(4).

WHAT THE RECORD SAYS YOU MUST KNOW

- Sealing under Chapter 12-60.1 does not reach BCI criminal history record information or the criminal justice data system, and it does not reach federal, tribal, military, out-of-state or private-database records. The order also states that the petitioner remains subject to N.D.C.C. Sec. 12.1-33-02.1 and that the information is released where an entity has a statutory obligation to run a background check.
- The proposed order is filed with the petition, not after it. N.D.C.C. Sec. 12-60.1-03(3) makes it mandatory and a petition without one is incomplete.
- Service on the prosecuting attorney precedes filing, and proof of service is filed with the petition.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

PETITION TO SEAL A PARDONED CONVICTION (N.D.C.C. Sec. 12-60.1-02(1)(C))

FILING INSTRUCTIONS - ASK A NORTH DAKOTA COURT TO SEAL A CONVICTION THE GOVERNOR HAS PARDONED

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition to Seal a Pardoned Conviction (N.D.C.C. Sec. 12-60.1-02(1)(c)).

A person granted an unconditional pardon for a North Dakota conviction may petition to seal the record. This ground carries no look-back period of its own. A pardon does not remove the fact of the conviction unless the certificate of pardon says so, which is why sealing is a separate step.

WHERE IT GOES

Clerk of Court of the existing criminal case

Filed in the criminal case itself. The respondent is the prosecuting attorney: the office of the prosecuting official for the municipality in a municipal case, or the office of the State's Attorney for the county in a district court case. The petitioner serves the prosecuting attorney under N.D.C.C. Sec. 12-60.1-03(4), which routes through N.D.R.Crim.P. 49 to N.D.R.Civ.P. 5(b).

Venue: The existing criminal case for the offence, under N.D.C.C. Sec. 12-60.1-03(1). There is no separate civil action. District court or municipal court, whichever holds the case.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: Not established. The statewide court fee schedule effective 1 July 2025 carries no line item for a Chapter 12-60.1 petition or for a motion within an existing criminal case, and the official research guide directs the participant to ask the clerk what the fee is, if any. Fee waiver as recorded: Not established for this petition. N.D.C.C. Sec. 12-60.1-04(6) expressly makes a municipal-to-district-court appeal fee-free, which implies a fee may attach at first instance.

WHO MUST BE SERVED

Service as recorded: On the prosecuting attorney, under N.D.C.C. Sec. 12-60.1-03(4) through N.D.R.Crim.P. 49 and N.D.R.Civ.P. 5(b). The participant serves and files proof. Notice as recorded: The prosecutor must, so far as practicable, notify and seek input from law enforcement, witnesses, victims and correctional authorities under N.D.C.C. Sec. 12-60.1-04(4).

WHAT THE RECORD SAYS YOU MUST KNOW

- Sealing under Chapter 12-60.1 does not reach BCI criminal history record information or the criminal justice data system, and it does not reach federal, tribal, military, out-of-state or private-database records. The order also states that the petitioner remains subject to N.D.C.C. Sec. 12.1-33-02.1 and that the information is released where an entity has a statutory obligation to run a background check.
- The proposed order is filed with the petition, not after it. N.D.C.C. Sec. 12-60.1-03(3) makes it mandatory and a petition without one is incomplete.
- Service on the prosecuting attorney precedes filing, and proof of service is filed with the petition.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any offence for which registration was ordered under N.D.C.C. Sec. 12.1-32-15, which the chapter excludes.
- Any impaired-driving offence, which the official guides route to the separate Sec. 39-08-01.6 seal.
- Unpaid restitution, or imprisonment or probation not yet complete.
- A new conviction inside the look-back period.
- Pending charges anywhere.
- Any objection from the prosecutor, a victim, a witness or a correctional authority.
- Out-of-state, federal, tribal or military records, which a North Dakota court cannot reach.
- Any case where the reformation or good-cause showing is the real contest.
- Any participant with immigration exposure.
- A participant whose actual goal is firearm-rights restoration.
- A pardon whose conditionality is not clear on the face of the certificate.
- A pardon whose scope does not plainly cover the conviction.
- A certificate of pardon the participant cannot obtain.
- A prosecutor objection, a victim objection, or any contest over reformation ends automated assistance.
- No hearing may be held earlier than 45 days after filing unless the prosecutor stipulates. The petitioner attends and carries a clear-and-convincing burden. Attendance at that hearing is not a generation blocker; losing it is where self-help ends.

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THIS SET OF PAPERS IS

Petition to Seal a Driving Under the Influence Record (N.D.C.C. Sec. 39-08-01.6).

The court shall seal a criminal record relating to a conviction under N.D.C.C. Sec. 39-08-01, in accordance with Sec. Sec. 12.1-32-07.1 and 12.1-32-07.2, where the individual has not committed a further violation of Sec. 39-08-01 or an equivalent ordinance, or any other criminal offence, within seven years of the first violation. A prosecutor retains access to a prior offence for enhancement under Sec. 39-08-01(3).

WHERE IT GOES

Clerk of Court of the court holding the DUI case

Filed in the existing case. The official research guide directs the participant to file the petition and any accompanying documents in the DUI case with the clerk of court.

Venue: The existing impaired-driving case, in the municipal court or district court where it is filed.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: none stated by the section, and none appears in the statewide court fee schedule. Fee

waiver as recorded: not applicable; no fee is identified.

WHO MUST BE SERVED

Service as recorded: None required by the section. Notice as recorded: None required by the section.

WHAT THE RECORD SAYS YOU MUST KNOW

- Expungement of DUI records is not available in North Dakota. This is sealing under the Sec. 12.1-32-07.2(2) restricted-access regime, and a prosecutor keeps access to the prior offence for enhancement under Sec. 39-08-01(3).

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any commercial driver's licence, current or historical, which the section excludes.
- Any criminal offence at all inside the seven-year window.
- Uncertainty whether the charge was under the state statute or an equivalent ordinance.
- A participant who expects the record to be expunged rather than sealed, which North Dakota does not offer for DUI.
- A prosecutor's retained enhancement access, where the participant expects it to be gone.
- An out-of-state impaired-driving conviction.
- No hearing is required, but the official guide records that the judge may hold one.

WHAT SEALING DOES, AND WHAT IT DOES NOT DO

This page is for Maria-Alejandra O'Shaughnessy-Whitfield.

WHAT THE ORDER DOES

A sealing order under chapter 19-03.1 seals the court record in this case. The statute is unusually strong on this point: once sealed, the court record may not be opened even by court order.

WHAT IT DOES NOT REACH

The order is directed at the court record. It does not by itself change records held by other agencies, and it is not a pardon. If you need a criminal-history record corrected as well, that is a separate request to the agency that holds it.

THIS IS NOT THE GENERAL SEALING CHAPTER

North Dakota's general criminal-record sealing chapter, 12-60.1, uses waiting periods of three years for a misdemeanor and five for a felony, a clear-and-convincing burden, and a hearing no earlier than forty-five days after filing. None of that applies here. Chapter 19-03.1 makes sealing mandatory on motion when its own conditions are met.

FILING INSTRUCTIONS - ASK A NORTH DAKOTA COURT TO SEAL A FIRST MARIJUANA POSSESSION CONVICTION

Where a person pleads guilty or is found guilty of a first offence of possessing one ounce or less of marijuana or two grams or less of tetrahydrocannabinol and a judgment of guilt is entered, the court shall, upon motion, seal the court record of that conviction if the person is not subsequently convicted within two years of a further violation of the chapter. WHERE IT GOES

Clerk of Court of the court holding the criminal case

Filed as a motion in the existing case. The subsection states no service requirement and no hearing requirement.

Venue: The existing criminal case in the court that entered the judgment.

WHAT IT COSTS, AND WHETHER A WAIVER EXISTS

Fee as recorded: none identified. The statewide fee schedule carries no line item for a motion in an existing criminal case. Fee waiver as recorded: not applicable; no fee is identified.

WHO MUST BE SERVED

Service as recorded: None stated by the subsection. Notice as recorded: None stated by the subsection.

WHAT THE RECORD SAYS YOU MUST KNOW

- This seal is irreversible: once sealed the court record may not be opened even by order of the court. The participant should keep their own copies of anything they may later need.

WHEN TO STOP AND GET HELP INSTEAD OF FILING

- Any uncertainty whether this was a first offence.
- Any uncertainty about the quantity charged.
- A subsequent controlled-substance conviction.
- Other charges in the same case, which the subsection does not reach.
- A participant confusing this with the executive marijuana pardon, which is an entirely separate process.
