## IMPORTANT

These supplemental pages are for you. Do not file or submit them to the clerk or court. File only the court-facing documents identified in your packet instructions.

## Discretionary Expungement of Additional Justice Court or Municipal Court Misdemeanors

This packet is prepared for asking the Mississippi justice court or municipal court that convicted you to expunge any or all of its own misdemeanor convictions.

RELIEF IS DISCRETIONARY. Both sections say the court MAY expunge. Meeting all three elements does not entitle you to the order.

The parallel provisions give the justice court or municipal court discretionary power to expunge any or all misdemeanor convictions in that same court after an open-court showing of rehabilitation, good conduct for two years since the last conviction in any court, and the best interest of society. The order does not reach confidential law-enforcement records and has no effect on the Title 63 driving record.

## Next steps

Only the steps that apply to your route appear here.

### WHERE TO FILE

Clerk of the justice court or municipal court of conviction

### FILING METHOD

Not established for this route - ask the clerk or filing office.

### DEADLINE

Not established for this route - ask the clerk or filing office.

### NEXT EVENT

The court decides whether to grant relief.

**GET AN ADVOCATE OR A LAWYER FOR THE HEARING.** The committed legal record puts this route in the stop-and-get-help class whenever it is in play, and the reason is specific: the three-element showing is **DISCRETIONARY ADVOCACY** made in open court, not a form to fill. You will stand up and persuade a judge.

**WHICH SECTION, AND WHERE THIS IS FILED.** Both sections say the same thing and which applies depends only on which court convicted you.

Convicted in **JUSTICE COURT** .... Miss. Code Ann. Sec. 9-11-15(3), filed with the clerk of that justice court.

Convicted in **MUNICIPAL COURT** .. Miss. Code Ann. Sec. 21-23-7(6), filed with the clerk of that municipal court.

File with the **CLERK OF THE COURT IN WHICH THE CONVICTIONS WERE HAD**. Justice and municipal courts are the least standardized courts in Mississippi, so **CALL THAT CLERK BEFORE FILING** and ask how that court wants this done.

**ONE PETITION PER COURT.** Each court expunges only its own misdemeanors. Convictions in two courts need two petitions.

(Petitioner signs and dates this petition. Nothing on this page is signed or dated for Petitioner.)

(Service dates are written when service is actually made. No prosecutor's name or address is printed here: the platform holds none for any Mississippi justice or municipal court and does not guess one.)

**WHO YOU SERVE.** The **PROSECUTING AUTHORITY** for that court receives **PRIOR NOTICE** - the municipal prosecuting attorney on the Sec. 21-23-7(6) branch, and the equivalent prosecutor for the justice court on the Sec. 9-11-15(3) branch. Serve by United States mail or hand delivery and file the certificate of service as your evidence.

**THERE WILL BE A HEARING.** This is not a contingency. Both sections require the showing to be made **IN OPEN COURT**, so a hearing always occurs on this route. Be ready to show three things:

- (i) that you have been rehabilitated;
- (ii) that you have been of good behaviour and have not been convicted of any offence **IN ANY COURT** for two years since your last conviction; and
- (iii) that the best interest of society would be served by the expungement.

**KEEP FOR YOUR RECORDS / DO NOT FILE**

THE TWO-YEAR CLOCK COUNTS EVERY COURT. It runs from your last conviction in ANY court, not merely in the court you are petitioning. That is why the Mississippi criminal history record is not optional here: a conviction you forgot, in another court, restarts it.

WHAT THIS ORDER DOES NOT REACH.

It does not apply to the confidential records of law-enforcement agencies.

IT HAS NO EFFECT ON YOUR DRIVING RECORD. The driving record maintained under Title 63 of the Mississippi Code is untouched by this order. If clearing your driving record is what you are after, this route will not do it, and you should say so to whoever is helping you before you spend the effort.

## DOCUMENT CHECK

| COURT-FACING DOCUMENT                       | SIGNED?                  | COPIES | ATTACH / FILE?                                                                                                                                 |
|---------------------------------------------|--------------------------|--------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Petition for Expungement of Criminal Record | <input type="checkbox"/> | -      | File this with the clerk of the justice court or municipal court of conviction. Call that office before filing and ask how it wants this done. |
| Proposed Order                              | <input type="checkbox"/> | -      | File this with the clerk of the justice court or municipal court of conviction. Call that office before filing and ask how it wants this done. |
| Certificate of Service                      | <input type="checkbox"/> | -      | File this with the clerk of the justice court or municipal court of conviction. Call that office before filing and ask how it wants this done. |

- Get these before you write anything on the petition.
- 1. YOUR MISSISSIPPI CRIMINAL HISTORY RECORD - from the Mississippi Criminal Information Center. THIS ONE IS NOT OPTIONAL ON THIS ROUTE. The two-year good-conduct clock runs from your last conviction in ANY COURT, not just this one, so the only reliable way to know whether two years have actually passed is to look at your whole record. Do not rely on memory.
- 2. CERTIFIED COPIES OF EACH JUDGMENT OF CONVICTION IN THAT COURT - from the clerk of the justice court or municipal court. Ask for a certified copy of each conviction you want expunged. You list them all on the petition.
- 3. DOCKET SHEET FOR THE CASE - from the clerk of the court where the case was heard. It shows every court-imposed term and whether each was satisfied.
- ONE COURT AT A TIME. Each court expunges only its own misdemeanors. If your convictions are spread across two justice or municipal courts, you need a separate petition in each, with its own certified judgments and its own prosecuting authority served.

## Fees & costs

Separate the cost of your Expungement.ai packet from court, agency, service, certification, and other third-party costs that may apply to your filing.

### WHAT IT COSTS, AND WHAT IS ACTUALLY KNOWN.

The \$150 filing fee you may have read about is levied by Miss. Code Ann. Sec. 99-19-72 on petitions to expunge an offense under Sec. 99-19-71. THIS PETITION IS NOT BROUGHT UNDER SEC. 99-19-71. It is brought under Sec. 9-11-15(3) or Sec. 21-23-7(6), and the Sec. 99-19-72 fee does not reach those sections by its terms. Neither Sec. 9-11-15(3) nor Sec. 21-23-7(6) specifies a fee of its own.

So the honest answer is: no fee amount is established for this route in the records this packet is built from, and the \$150 figure is not yours to pay unless that court itself charges it for some other reason. **ASK THE CLERK OF THE JUSTICE COURT OR MUNICIPAL COURT WHERE YOU ARE FILING** what that court charges, before you file.

**ABOUT A FEE WAIVER.** No waiver procedure is established for these sections either. Ask **THE SAME CLERK**.

### WHEN TO STOP AND GET HELP

- This route requires the three-element open-court showing.

*The approved record classifies the discretionary advocacy as an attorney or advocate handoff.*

- The participant has convictions in more than one justice or municipal court.

*Each court needs its own petition and reaches only its own convictions.*

- There is any conviction in any court within the last two years.

*The statutory good-conduct interval has not elapsed.*
