Felony conviction expungement - W.S. 7-13-1502

WHAT IS INSIDE

- | | | |
|----|------------------------------|---|
| 01 | Next steps | Where to go, what to do, and what happens after filing. |
| 02 | Filing checklist | A final quality-control list before, during, and after filing. |
| 03 | Fees & costs | Known court or agency fees, payment details, and fee-waiver information. |
| 04 | Court-ready documents | Your forms, pleadings, motions, orders, and attachments begin after this guide. |

IMPORTANT

These supplemental pages are for you. Do not file or submit them to the clerk or court. File only the court-facing documents identified in your packet instructions.

This packet is prepared for asking the Wyoming court that convicted you to expunge the records of that felony conviction under Wyo. Stat. § 7-13-1502.

WHAT THE ORDER DOES. On a grant the court seals its file, and a certified copy of the order is transmitted to the Division of Criminal Investigation. Under Sec. 7-13-1502(m) the expungement restores any rights that were removed as a result of the conviction.

WHAT THIS PACKET WILL NOT TELL YOU, AND WHY. It does not tell you that you may answer an inquiry as though the conviction did not occur. That entitlement appears in Wyo. Stat. Sec. 7-13-1401(f), which by its own words is confined to the NON-CONVICTION route, and it does not appear in Sec. 7-13-1502. Do not state that the conviction did not happen.

ONE IN A LIFETIME. Section 7-13-1502 permits one expungement of records of conviction in a lifetime. Spend it deliberately.

WYOMING'S OWN SELF-HELP PAGE. The Wyoming Judicial Branch publishes an expungement page and an

KEEP FOR YOUR RECORDS / DO NOT FILE

Expungement Handout at wyocourts.gov (Legal Help by Topic - Expungements). It does not publish a complete mandatory petition packet, which is why this petition is drafted rather than filled.

KEEP FOR YOUR RECORDS / DO NOT FILE

Next steps

Only the steps that apply to your route appear here.

WHERE TO FILE

The clerk of the convicting court - the court that entered your felony judgment and sentence.

FILING METHOD

Not established for this route - ask the clerk or filing office.

DEADLINE

Not established for this route - ask the clerk or filing office.

NEXT EVENT

The prosecuting attorney has ninety (90) days to object, and no order may be granted before that period has passed.

WHERE THIS IS FILED. File the verified Petition and the proposed Order for Expungement with the CLERK OF THE CONVICTING COURT - the court that entered your felony judgment and sentence.

WHO YOU SERVE. Two recipients, and proof of service is filed with the court:

- (1) THE PROSECUTING ATTORNEY for the county of conviction; and
- (2) THE WYOMING DIVISION OF CRIMINAL INVESTIGATION.

The prosecuting attorney - not you - notifies any identifiable victims.

THE 90-DAY WINDOW. The prosecuting attorney has NINETY (90) DAYS to object, and no order may be granted before that window closes. The window runs from service on the prosecuting attorney, which is why the date of service matters and why you fill it in on the certificate of service when service is actually made. If no objection is filed, the court may enter the order summarily on finding eligibility.

VERIFICATION. The petition must be verified by you. Ask the clerk of the convicting court whether that court requires the verification sworn before a notary, because practice differs between courts.

Filing checklist

Use this page as your final quality-control check.

DOCUMENT CHECK

COURT-FACING DOCUMENT	SIGNED?	COPIES	ATTACH / FILE?
Petition for Expungement of Records of Conviction	☐	-	File with the clerk of the convicting court.
Proposed Order for Expungement	☐	-	File with the petition, for the judge's signature.
Verification	☐	-	The petition must be verified by you. Ask the clerk of the convicting court whether that court requires notarisation.
Certificate of Service	☐	-	Serve the prosecuting attorney for the county of conviction and the Wyoming Division of Criminal Investigation, and file proof of service with the court.

- These three are left for you and, where you have one, your attorney. The platform does not assert them, because each depends on your whole record or on a judgment reserved to the Court.
- DOCUMENTS TO OBTAIN BEFORE YOU FILE, AND WHO HAS THEM.
- Certified judgment and sentence for the felony conviction - the clerk of the convicting court.
- Proof that probation and any court-ordered program were completed, showing the date the terms of sentence expired - the supervising probation office, or the clerk of the convicting court. The ten-year clock runs from that date.
- Proof that court-ordered restitution was paid in full - the clerk of the convicting court.
- Your Wyoming DCI criminal history record - the Wyoming Division of Criminal Investigation, Criminal Records Unit. It is the only reliable way to check the other-felony bar against your whole record.

FEE WAIVER / INDIGENCY

AVAILABILITY

No fee-waiver procedure is established for Sec. 7-13-1502 in the records this packet is built from. Ask the clerk of the convicting court - the same clerk who takes the filing - whether that court has an indigency or fee-waiver procedure, before you pay.

FORM / PROCESS

Not established for this route - ask the clerk or filing office.

WHERE TO SUBMIT

Not established for this route - ask the clerk or filing office.

WHAT IT COSTS. The filing fee is \$300.00 per petition. Where you are asking to expunge more than one petition's worth of records, the fee is per petition.

ABOUT A FEE WAIVER. No fee-waiver procedure for Sec. 7-13-1502 has been confirmed. That is not the same as there being none. **ASK THE CLERK OF THE CONVICTING COURT** - the same clerk who takes the filing - whether that court has an indigency or fee-waiver procedure, before you pay.

KEEP FOR YOUR RECORDS / DO NOT FILE**WHEN TO STOP AND GET HELP**

- The felony may be on the § 7-13-1502 exclusion list, another felony appears anywhere, firearm use is involved, or the participant already received a § 7-13-1502 expungement.

The approved route requires attorney review and the packet does not decide eligibility.

- The matter was a completed felony deferral rather than a conviction.

This conviction-expungement route does not apply and no other expungement route may be substituted.

- The prosecutor objects, an identifiable victim is likely to object, or the court sets a contested hearing.

The matter has crossed the approved self-help boundary.
