Disclosure

I.C. § 67-3004(11)

Petitioner / Defendant asks the Court to shield from public disclosure all records in this case, based upon the following:

1. The offense(s) that I petition to have shielded is eligible for such relief as it is:
 - ☐ a misdemeanor that is not assaultive or violent as listed in Idaho Code section 67-3004(11)(b) or
 - ☐ a felony possession of a controlled substance under Idaho Code section 37-2732(a), (c), or (e).
2. At least five years have passed since completion of my sentence, including all ordered probation, parole, fines, and restitution.
3. During the five years since completion of my sentence, I have not had any subsequent felony or misdemeanor convictions, and I am not on probation or parole for a subsequent conviction.
4. I have no pending misdemeanor or felony cases against me.
5. I have no restraining orders against me in effect at the time of filing this petition.

6. I have not previously been granted relief pursuant to Idaho Code section 67-3004(11), and I understand that I can have only one (1) petition granted pursuant to Idaho Code section 67-3004(11) during my lifetime.
7. I understand that if the court orders my records shielded from public disclosure and I receive a subsequent felony or misdemeanor conviction, the shielding of my records is subject to revocation.
8. I understand that if the court orders my records shielded from public disclosure, such shielding does not prohibit law enforcement personnel, court staff, or prosecuting attorneys from accessing my records.
