COPY FOR THE ATTORNEY FOR THE COMMONWEALTH, AND REQUEST FOR THE
COMMONWEALTH'S POSITION

Petitioner: Jordan Avery Reyes

Petition: CC-1473 - Petition for Expungement Filed in a Circuit Court - Acquittal/Dismissal

Statutory route: Va. Code Sec. 19.2-392.2(A)

.....

To: the Attorney for the Commonwealth for the county or city where this petition is filed.

Enclosed is a copy of the petition for expungement filed by Jordan Avery Reyes. The petition's own checklist (CC-1473, page 2) requires that a copy of the petition be served on the Commonwealth's Attorney in the county or city in which the petition is filed. This is that copy.

The petitioner asks the Attorney for the Commonwealth to state, in writing and to the court, whether the Commonwealth objects to the expungement sought by the enclosed petition. A statement that the Commonwealth does not object is not required for the petition to proceed, and nothing in this request asks the Attorney for the Commonwealth to agree to anything.

The attorney for the Commonwealth may file an objection or answer, or give written notice of no objection, within twenty-one days after service. That is twenty-one days on an expungement, not the thirty days that applies to a sealing petition.

This later response to an expungement petition is not the earlier all-party agreement under 19.2-298.02(D). Do not use silence or a statement of no objection as a substitute for that separate agreement. This request supplies no attorney consent or signature.

The petition itself does not say how service must be made, and neither does this page. Ask the clerk of the circuit court where you file how the copy must be served, and use that method. The petitioner is not represented by counsel; correspondence about this petition should go to the address printed on the petition's signature block.

REQUEST TO THE CENTRAL CRIMINAL RECORDS EXCHANGE TO FORWARD A CRIMINAL HISTORY RECORD

Petitioner: Jordan Avery Reyes

Petition: CC-1473 - Petition for Expungement Filed in a Circuit Court - Acquittal/Dismissal

Statutory route: Va. Code Sec. 19.2-392.2(A)

CIRCUIT COURT (copy it from the petition's caption once you have written it there)

.....

To: the Central Criminal Records Exchange, Virginia Department of State Police.

The petition's own checklist (CC-1473, page 2) requires the petitioner to request that the Central Criminal Records Exchange electronically forward a copy of the petitioner's Virginia criminal history record to the circuit court where the petition for expungement was filed. This page is that request.

Please forward the Virginia criminal history record of Jordan Avery Reyes, date of birth 1991-04-17, to the circuit court named above, for the expungement petition identified above.

The form on which the Department of State Police accepts this request, the identification it requires, and any charge for it are not stated on this page, because the petition does not establish them. The Department of State Police publishes the current procedure; ask the circuit court clerk if you cannot find it.

DATE OF THIS REQUEST

SIGNATURE OF PETITIONER

File the petition first. The checklist words this request around the court where the petition WAS filed, so it is made after filing, not before.

RECORDS CHECKLIST FOR THIS PETITION

.....

The petition asks for facts that live on your own court and arrest records. Gather these before you fill it in, and keep them together with the packet.

RECORDS TO OBTAIN AND CHECK BEFORE FILING

[] The participant's own Virginia criminal history record from the CCRE - required before filing. Obtain from Virginia State Police, Central Criminal Records Exchange. Request your own copy from the CCRE for the fee they charge. This is a different thing from the court's copy: you must separately ask the CCRE to forward a copy electronically to the circuit court as part of the petition. The Norfolk clerk's guidance is that the case is established with the court first and the State Police request comes second, so the sequence matters.

[] The circuit court case file, or the district court record held by that locality's circuit court - required before filing. Obtain from Clerk of the circuit court of the county or city where the case was disposed of. Ask the clerk of the circuit court of the locality where the case was disposed of for the case papers. District court charges are handled by that locality's circuit court, so that is where to ask even for a general district court charge.

[] Copy of the warrant, summons or indictment - conditional before filing. Obtain from Clerk of the court that handled the case. Ask the clerk for a copy of the charging document. If it is not reasonably available, the petition states the reason for the unavailability instead.

[] Check your answer to "How did the case end, and on what date?" against The participant's own Virginia criminal history record from the CCRE, and correct the packet if they disagree.

[] Check your answer to "How did the case end, and on what date?" against The circuit court case file, or the district court record held by that locality's circuit court, and correct the packet if they disagree.

[] Check your answer to "What was the charge, and which Code section was it under?" against Copy of the warrant, summons or indictment, and correct the packet if they disagree.

FACTS TO COMPLETE FROM THOSE RECORDS

[] The specific charge or charges to be expunged, worded exactly as your court record words them.

[] The disposition of each charge: acquitted, nolle prosequi, otherwise dismissed, or an original charge reduced under 19.2-298.02(D) - the petition makes you check exactly one basis.

[] If an original charge was reduced: the exact original charge this petition targets, the reduced charge or resulting disposition, and the record connecting the two. This packet does not ask to expunge a separate conviction on the reduced charge.

[] For a dismissal or reduction under 19.2-298.02(D): the separate all-party agreement and the actual document or reference establishing that agreement. Do not infer it from the disposition label, agreement to defer, or later prosecutorial silence.

- [] The date or dates of final disposition, and the court that disposed of the charge or charges.
- [] The date of arrest, and the name of the agency that arrested you.
- [] Your full name at the time of arrest, as the arrest record states it.
- [] A copy of the warrant or indictment, and its underlying case number or numbers - the petition asks whether the copy is attached.
- [] If the matter reached circuit court on appeal from a General District Court: the General District Court case number or numbers.
- [] The city or county of the circuit court where you will file, and that court's street address - the clerk's office can confirm both.
- [] Circuit court form CC-1416, COVER SHEET FOR FILING CIVIL ACTIONS, completed - the checklist says to include it if the clerk of the court requires it. Ask the clerk.

If a record cannot be found, the petition has boxes for that: they ask you to say why the information is not reasonably available. Say what you tried. Do not guess a date.

FILING INSTRUCTIONS

Petitioner: Jordan Avery Reyes

Petition: CC-1473 - Petition for Expungement Filed in a Circuit Court - Acquittal/Dismissal

Statutory route: Va. Code Sec. 19.2-392.2(A)

CIRCUIT COURT (copy it from the petition's caption once you have written it there)

.....

This packet is prepared for expunging the police and court records of a charge that ended without a conviction, under Va. Code Sec. 19.2-392.2(A).

WHERE THIS GOES

File the petition with the CIRCUIT COURT of the county or city in which the charge was disposed of - the petition's own checklist says so. Write that court's city or county and street address into the petition's caption; the clerk's office can confirm both. If the clerk requires it, include a completed COVER SHEET FOR FILING CIVIL ACTIONS, circuit court form CC-1416.

WHAT YOU DO, IN ORDER

Before completing these steps, obtain your own CCRE record and the court case papers, and check the packet answers against them using the Records Checklist. Your own CCRE copy is separate from the court copy requested after filing.

1. Complete every item this packet's participant instructions list. Each one names the page and the words printed beside the blank.
2. Check exactly one basis box - acquitted, or nolle prosequi / otherwise dismissed - to match the record for the charge this petition targets. The second box includes only a qualifying original charge reduced under 19.2-298.02(D) with the separate all-party agreement described below; it does not ask to expunge a separate conviction on the reduced charge.
3. Sign and date the petition yourself, and mark nothing in the clerk's certification block at the foot of page 1: that block is the clerk's.
4. File the petition with the circuit court clerk.
5. Ask the Central Criminal Records Exchange to forward your Virginia criminal history record to that court, using the page in this packet headed for that purpose.
6. Have a copy of the petition served on the Attorney for the Commonwealth for that county or city, using the page in this packet headed for that purpose, in the manner the clerk directs.

THE FILING FEE, AND ONE THING THIS PACKET DOES NOT TELL YOU

- The filing fee, and whether it can be waived. No court fees or costs are payable for filing this petition: Va. Code 19.2-392.2(A) provides that a person shall not be required to pay any court fees or costs for filing a petition under that subsection, so there is no filing fee and nothing to waive. The CCRE charges its own fee for the participant's own copy of their record.
- How long you have, and exactly how service must be made. The petition sets no filing deadline and

states no service mechanics; neither does this page. Ask the same clerk.

THE DOTSON SCREEN, A HARD GATE ON THE BASIS ELECTION IN PART ONE

Part 1 makes you check one basis: acquitted, or nolle prosequi / otherwise dismissed. The second basis is narrow. A dismissal after admitted facts or a deferred disposition ordinarily requires legal review. The current exception covers a dismissal, or the original charge that was reduced, under 19.2-298.02(D) only when the actual record establishes the separate all-party agreement described below.

A deferred dismissal needs a closer check. A plea, stipulation, judicial finding of facts sufficient for guilt, or deferral does not by itself establish that a charge is otherwise dismissed for expungement.

For a dismissal under Virginia Code 19.2-298.02, or for the original charge when that charge was reduced under that section, evaluate the subsection D exception only when the record establishes that all parties agreed to that expungement treatment. For a reduction, identify the original charge as the charge this petition targets; do not ask to expunge a separate conviction on the reduced charge.

Identify the actual agreement document or reference; it may be recorded in the final disposition order, but that order is not the only possible evidence. This is permission to evaluate the existing route and its remaining requirements, not an order granting expungement.

Agreement to defer the case, agreement to subsection D treatment, and the Commonwealth's later response to the expungement petition are three separate facts. A dismissal label, silence, or a later statement of no objection does not establish the subsection D agreement. If its existence, meaning or legal basis is absent, ambiguous or disputed, obtain legal review before selecting the dismissal ground or filing.

Do not apply this exception to a different first-offender statute such as 18.2-251. That disposition needs its own route and legal review. Do not use the replacement wording effective December 1, 2026 for an earlier filing. Every other 19.2-392.2 requirement and the opposition, presumption, immigration, juvenile and federal self-help boundaries remain.

WHERE SELF-HELP ENDS

If any of these conditions describes your case, stop before filing and obtain the help described below:

- The charge was dismissed after a stipulation, a finding of facts sufficient for guilt, or a deferred or first-offender disposition, unless the actual record shows the narrow current 19.2-298.02(D) exception: the dismissal, or the original charge that was reduced, is the target and all parties separately agreed to that expungement treatment. If the agreement is absent, ambiguous or disputed, or the dismissal was under another statute such as 18.2-251, stop and obtain legal review.
- The attorney for the Commonwealth objects or answers, or the court sets a contested hearing.
- The participant has a prior criminal record and the charge was a felony, so neither the presumption nor an easy stipulation is available.
- Any immigration question.
- Juvenile or federal records.

WHO TO ASK WHEN YOU REACH ONE OF THEM

The clerk of the circuit court where you file answers procedural questions - what to file, how the copy must be served, and what that court requires - and this packet already sends you to that clerk for those. The clerk cannot tell you whether your own charge is eligible, and is not permitted to. Whether the Dotson screen catches your dismissal, whether the presumption is available to you, what to do if the Attorney for the Commonwealth objects or answers or the court sets a contested hearing, and any immigration, juvenile or federal question, are legal questions: only a lawyer licensed to practise in Virginia can answer them, and if you cannot afford one, ask that same clerk's office how to reach a legal-aid office. No lawyer has reviewed your case in preparing this packet.

WHAT THIS PACKET IS NOT

This is a prepared set of an official Virginia circuit court form and companion pages. It is not legal advice, it is not filed for you, and it does not decide whether the court will grant expungement.
